111 Peter St., Unit 403
Toronto, ON, M5V 2H1,
Canada

July 27th, 2023
Toronto, ON, Canada

FCC ID: 2BA8T-MP01

IC: 30572-MP01

HVIN: MP-V1

To whom it may concern,

Regarding our Material Pod (MP-V1) product, our company certifies the following:

- The RFID confidential reference design specifications are in the operational description.
- All measurements were performed radiated and therefore additional antenna gain documentation is not required.
