

Declaration Letter for Module Intended Use

Date: 2024-06-06

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

FCC ID: 2BA9D-2823
IC: 30616-2823
HVIN: GR8V23
Model Number: GR8V23

To Whom It May Concern:

We, Gullfoss Flowers LLC 450, Alaskan Way South, Suite 200, Seattle, Washington 98104 would like to declare:

60 GHz radar transceiver module GR8V23 will sell to specific Television OEM and will be installed and maintained to Television (type: power supplied by AC mains) as the end product only, will not for other products. Also this module will not place on the market for using alone.

The OEM will be told each specific host TV shall follow FCC C2PC procedure to ensuring the compliance of the end product.

Thank you,
