NFC Uesr Manual

1. Product Information

Product Name: NFC Module
Brand Name: TROMOX
Model Name: TDM002Z-09050000
Product HW Version: V1.2
Product SW Version: V0.5
FCC ID: 2BAAA-JW01NFC
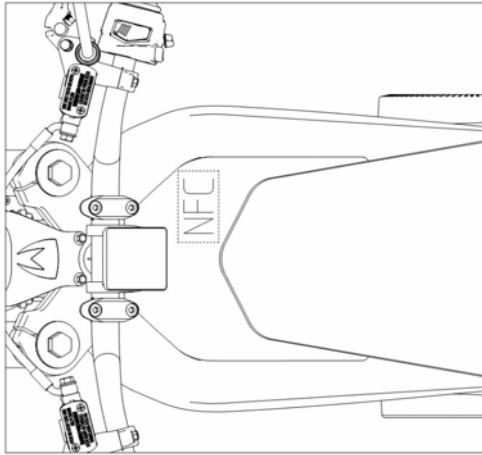

2. Labei&Location

NAME: NFC Module

（RF-BOX-MS）

MODEL: TDM002Z-09050000

DATE: 2023.08.02

NUMBER: JW012-1

FCC ID: 2BAAA-JW01NFC

SW: V0.5   HW: V1.2

3. Product Appearance

4.NFC Start

①Put the NFC card within 0.3cm of the NFC sensing area to start the vehicle.
②Put the NFC card within 0.3cm of the NFC sensing area to turn off the vehicle.

5.FCC Statements

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications or changes to this equipment. Such modifications or changes could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

The device has been evaluated to meet general RF exposure requirement, The device can be used in portable exposure condition without restriction. Federal Communication Commission (FCC) Radiation Exposure Statement　Power is so low that no RF exposure calculation is needed.
