

## External Photos

Insert a sufficient number of photographs to clearly show the exterior appearance, the construction, the component placement on the chassis, and the chassis assembly per Section 2.1033.

### Altius IPG:

 A photograph of the front of the Altius IPG. The device is a rectangular, light-colored metal chassis. At the top, there is a transparent window showing internal components, with a red rectangular outline drawn around it. Below the window, the text "CH-A" and "CH-B" is printed next to two circular symbols. Below that is "IS-1 BI". The main body of the device has "Altius™" printed in a large, stylized font, followed by a logo consisting of three slanted parallel lines, and then "NEUROS MEDICAL™" in a smaller font. At the bottom, it says "SN 0137" and "THIS SIDE UP".		<p>Altius IPG External Photo, Front</p>
 A photograph of the back of the Altius IPG. The device is a rectangular, light-colored metal chassis. At the top, there is a transparent window showing internal components, with a red rectangular outline drawn around it. The rest of the device is a plain, light-colored metal surface.		<p>Altius IPG External Photo, Back</p>
