Re: Change of Identification Authorization, FCC ID: **2ADHKATWINC1500**

To Whom It May Concern:

This letter grants authorization for representatives of Dr. Jean Bausch GmbH & Co. KG to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Microchip Technology Inc., Model **ATWINC1500-MR210PB** FCC ID: **2ADHKATWINC1500**. The original grant date is: **15/10/2015**

We are aware that Dr. Jean Bausch GmbH & Co. KG intends to market the above referenced product under their own FCC ID: **2BAUV-OCCLUSENSE**.

Microchip Technology Inc. will continue to sell their device under their existing FCC ID.

The Model with a change in ID is identical in design and construction with our original model. The original test results continue to be representative of and applicable to the module with a change in ID.

Sincerely,
