

If riding with your Punks is anything less than **TOTALLY RAD**, head over to aleck.io/support for help.

Keep abreast of our new toys and app updates by following us on the insta or tiktok @heyaleck, or joining our email list at aleck.io

We're stoked when you're stoked, and if you're stoked, please stoke others with a killer review where you bought these.

Rock on,

Team Aleck

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

(1) This device may not cause interference.

(2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

(1) L'appareil ne doit pas produire de brouillage;

(2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Zhongshan K-mate General Electronics Co., Ltd.
No.2, 5th Xinsheng Street, East Mu He Jing Road, Gangkou Town, Zhongshan, China

welcome to the party!

It's time for that totally amplified ride you've been waiting for. With the music pumping you up, dropping 'whoops' and 'yips' to your friends, all while maintaining perfect situational awareness.

That's what you get with the Punks. Now that you have your paws on them, let's get this party started.

Model:CID79527

Quick Start Guide

Scan the QR code above, and follow the instructions. It's not very punk to follow rules, but you'll be glad you did.
