Subject: Class 2 Permissive Change (C2PC) Request

FCC ID: 2BAZ9 - 6036

To whom it may concern

In accordance with KDB 178919 D01 and FCC rule part §2.1043: Changes in Certified Equipment, Cyden Limited hereby requests a Class 2 permissive change to FCC ID 2BAZ9 – 6036 as detailed below:

This module is certified for mobile use configurations. In this hand-held host product, the module will be in a portable configuration that will be close to the face, body and the hand. SAR testing is applicable.

In addition, the antenna had been changed. Emissions testing is applicable.

Please note that the module is changed to a limited modular approval for use in this specific host product and the BT Classic functionality is disabled in the SW in the factory.

As a result of the changes detailed above, testing is carried out to show compliance with the following FCC rule parts:

**FCC rule part 2.1093: RF Exposure - Portable Devices**

**FCC rule part 15.209: Radiated Emissions**

Yours faithfully,  
Name: Mark Stephens  
Position: Director of Regulatory Affairs
