

SUPERIOR SOUND TRULY WIRELESS EARBUDS

User's Manual: TWE2-BLK SKU#2199139

In The Box

A Quick Look

*Press to see the charging status of your charging case, and to continue charging your earphones if they have been in the case for a long period of time. Press and hold and your case will stop charging your earphones.

Charging

Powering On/ Bluetooth Pairing

Your earbuds will automatically turn on when taken out of the charging case.

If the earbuds are already out of the case, press and hold the power button for 3 seconds to turn them ON.

Once powered on the indicator lights on your earbuds will alternately flash red and blue. Wait 1-3 seconds and your earbuds will chime indicating they paired together.

One earbud's indicator light will alternately flash red and blue and the other will slowly flash blue, indicating they are ready for Bluetooth connection.

Go into the Bluetooth settings page on your phone. Make sure Bluetooth is turned ON. Then select "TWS Earbuds" under Available Devices.

After successful connection, both earbuds' indicator lights will flash blue slowly.

FCC Statement

FCC ID:2BB3B-TWSY95

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in the portable exposure condition without restriction.

Vivitar One Year Warranty

This warranty covers the original consumer purchaser only and is not transferable.

This warranty covers products that fail to function properly UNDER NORMAL USAGE, due to defects in material or workmanship. Your product will be repaired or replaced at no charge for parts or labor for a period of one year.

What Is Not Covered by Warranty

Damages or malfunctions not resulting from defects in material or workmanship and damages or malfunctions from other than normal use, including but limited to, repair by unauthorized parties, tampering, modification or accident.

To Obtain Warranty Service and Troubleshooting Information:

Call 1-800-592-9541 or visit our website at www.vivitar.com.

To receive Warranty service along with the name and address of an authorized product service center, the original consumer purchaser must contact us for problem determination and service procedures. Proof of purchase in the form of a bill of sale or receipted invoice, evidencing that the product is within the applicable Warranty period(s), MUST be presented in order to obtain the requested service. It is your responsibility to properly package and send any defective products along with a dated copy of proof of purchase, a written explanation of the problem, and a valid return address to the authorized service center at your expense. Do not include any other items or accessories with the defective product. Any products received by the authorized service center that are not covered by warranty will be returned unrepaid.

BATTERY WARNING:

- The device is equipped with an integrated lithium battery. The battery cannot be replaced. Do not attempt to remove the battery from the device.
- Do not dispose of in fire or expose to excessive heat.
- Do not crush, puncture, incinerate, or short circuit external contacts.
- Please recycle or dispose of the battery properly. Contact your local recycling facilities and/or the manufacturer for further information.
