Subject: Limited Single Modular Approval - LMA Attestation Letter
Certification Application FCC ID: 2BB8L-RFID02

To whom it may concern

We, Wallbox USA Inc., hereby attest that we will be installing all units of our PATRF54 radio module, FCC ID: 2BB8L-RFID02, into our own host products.

Wallbox USA Inc. will, therefore, retain full control of the PATRF54 radio module installation process and ensure host compliance.

Wallbox USA Inc., further attest that the PATRF54 radio module is only approved for use in Wallbox host products and not intended for sale to third-parties. The module integration instructions are Wallbox internal confidential manufacturing documents.

Furthermore, these module integration instructions are to be held permanently confidential as an Operational Description exhibit as allowed by KDB 996369 D03 OEM Manual section 2.1.

Yours faithfully

Matias Correa, Certification Engineer.
