

WARNING ! SMART HELMET MEETS CE EN 1078:2012+A1:2012 STANDARDS

- The smart helmet is designed for LEXGO scooters/bikes only.
- Wearing a helmet cannot always protect you against injury.
- The helmet subjected to a severe impact should be discarded and destroyed.
- In order to have a maximum protection for your head, the helmet must fit perfectly and the locking system must be locked securely under your chin.
- A soft cloth dampened with a little alcohol can be used to wipe the helmet housing, padding, lining system, and other accessories.
- Helmet can be seriously damaged by substances such as solvents, paints, adhesives and cleaning solutions.

WARNING ! This helmet should not be used by children while climbing or doing other activities when there is a risk of strangulation/hanging if the child gets trapped with the helmet.
