Subject: Change in FCC ID Authorization letter

Telit Communications S.p.A. has applied for, and has been granted Federal Communications Commission (FCC) registration number RI7ME310G1WW, original grant date of May 19th, 2020, for its radio module which carries the Telit Communications S.p.A. model number ME310G1-WW.

This letter will grant permission on a one-time basis to Textron Specialized Vehicles Inc, a company in North America, to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

Telit Communications S.p.A. understands that Textron Specialized Vehicles Inc must make this change in order to comply with Federal Communication Commission (FCC) regulations that apply to the Textron Specialized Vehicles Inc product called TRUPIN, FCC identifier 2BBDD-TRUPIN and Telit authorize FCC to use information on file to grant such Change of Identification for this device.

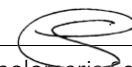

Telit Communications S.p.A. is supplying the ME310G1-WW to Textron Specialized Vehicles, unmodified and equivalent to the originally certified unit.

The device is being supplied to the applicant unmodified and equivalent to the original approved unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Should there be any question, please feel free to contact us.

Your Sincerely,

Paolomaria Schiratti  
VP Global Certification, R&D  
Telit Communications SpA
