Left Earphone:

Solder Board-Component View 1	 A photograph showing a small electronic component, likely a solder board component, placed on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component located between the 10 mm and 20 mm marks. The component itself is small and rectangular, with some visible soldering and components.
Solder Board-Component View 2	 A photograph showing the same small electronic component from a different angle, placed on the same blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component located between the 10 mm and 20 mm marks. The component is small and rectangular, with some visible soldering and components.
