

USING 2-XL

O1 STARTING A CONVERSATION

Once connected, 2-XL will greet your child. Simply start a conversation with your 2-XL about any questions you may have or subjects and stories you'd like to talk about.

O2 HAVING A CONVERSATION

- Your 2-XL robot uses Deep Learning AI technology to engage in conversations. Ask questions or talk about various topics.
- Listen to the 2-XL's responses through the built-in speaker.

O3 ENDING A CONVERSATION

When you and your 2-XL are done playing and learning remember to turn the knob on the back of your 2-XL counter-clockwise to turn 2-XL off.

NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

5. Interference:

- Reorient or relocate the receiving antenna.

- Increase the separation between the equipment and receiver.

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

- Consult the dealer or an experienced radio/TV technician for help.

6. FCC Compliance:

This device contains an exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's license-exempt RSS. Operation is subject to the following two conditions:

1. This device may not cause interference.

2. This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

L'appareil ne doit pas causer de brouillage;

L'appareil doit accepter tout brouillage radioélectrique subi, même si ce brouillage est susceptible d'en compromettre le fonctionnement.
