

Model Difference Statement

Dear Sir/Madam,

New models 4S540551, 4S540552, 4S540553 basis of the original product Mist M001. These model names, color of appearance and charging case are different, but the circuit and the electronic construction are the same from the main model, declared by the manufacturer.

Sincerely,

A handwritten signature in blue ink is written over a horizontal line. To the right of the signature is a circular purple stamp with the text "4smarts Limited" around the perimeter and a star in the center.

Name: Felix Nie
