

Antenna Specification

#

|                |               |          |         |
|----------------|---------------|----------|---------|
| Model Name     | 2.4G FHSS ANT |          |         |
| Frequency      | 2400MHz       | 2450MHz  | 2500MHz |
| Gain (dBi)     | -1.02dBi      | -0.45dBi | 0 dBi   |
| MAX. Gain      | 0 dBi         |          |         |
| Impedance      | 50 Ω          |          |         |
| Antenna Length | 18.5mm        |          |         |
| Manufacturer   |               |          |         |
