

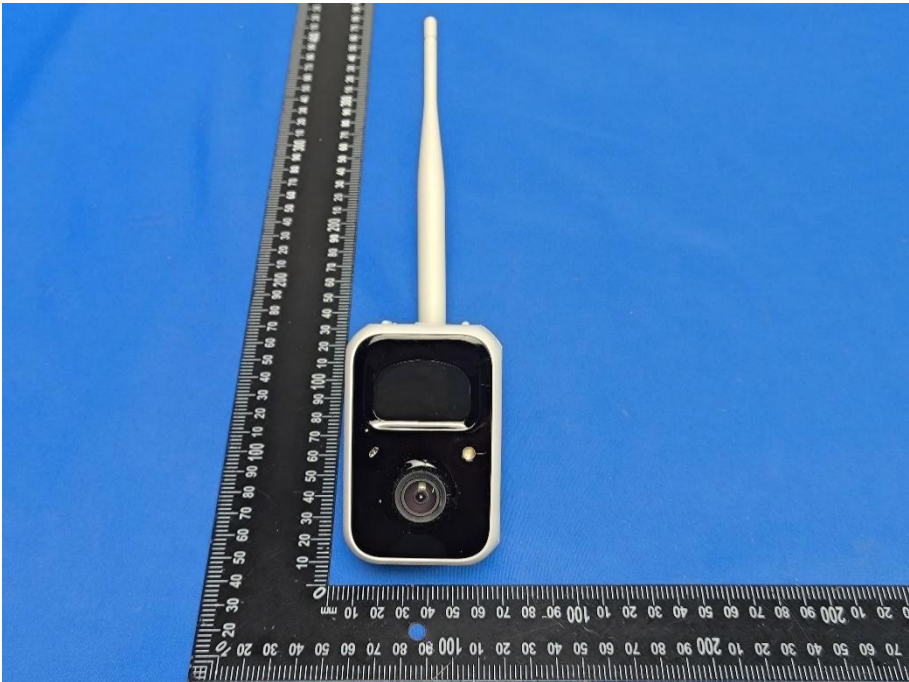

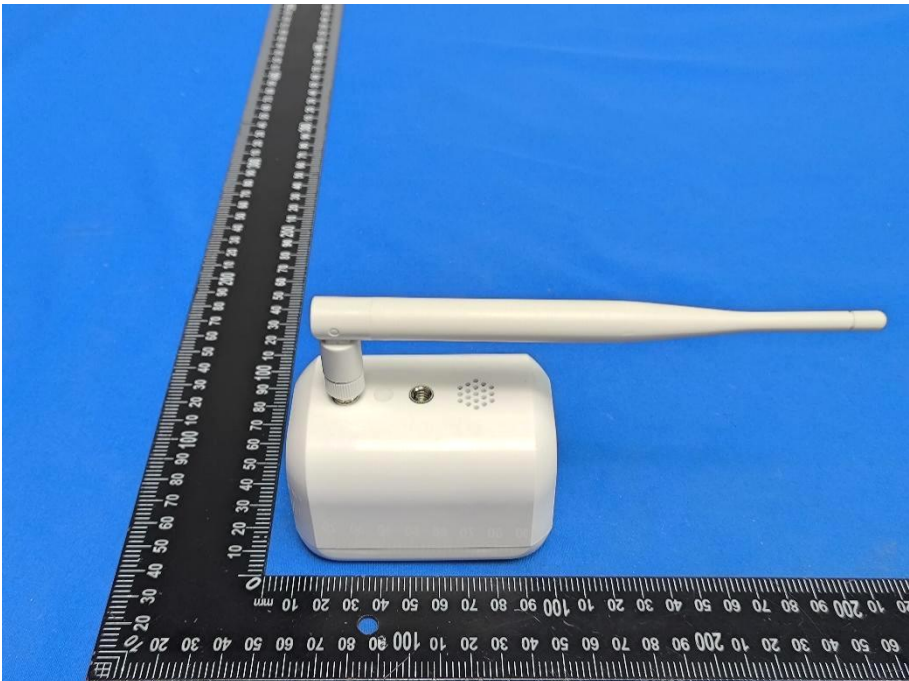

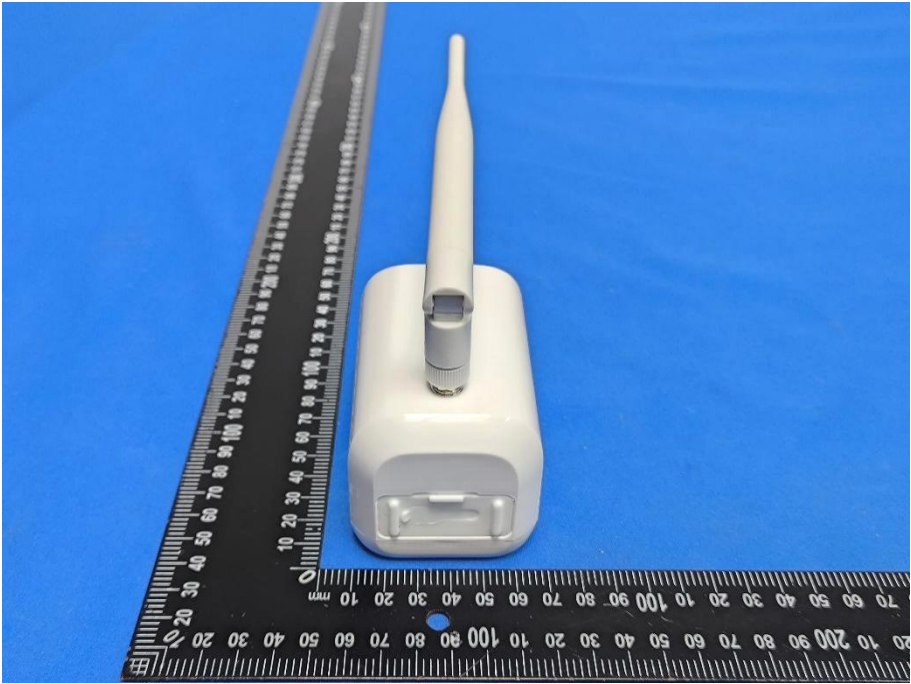

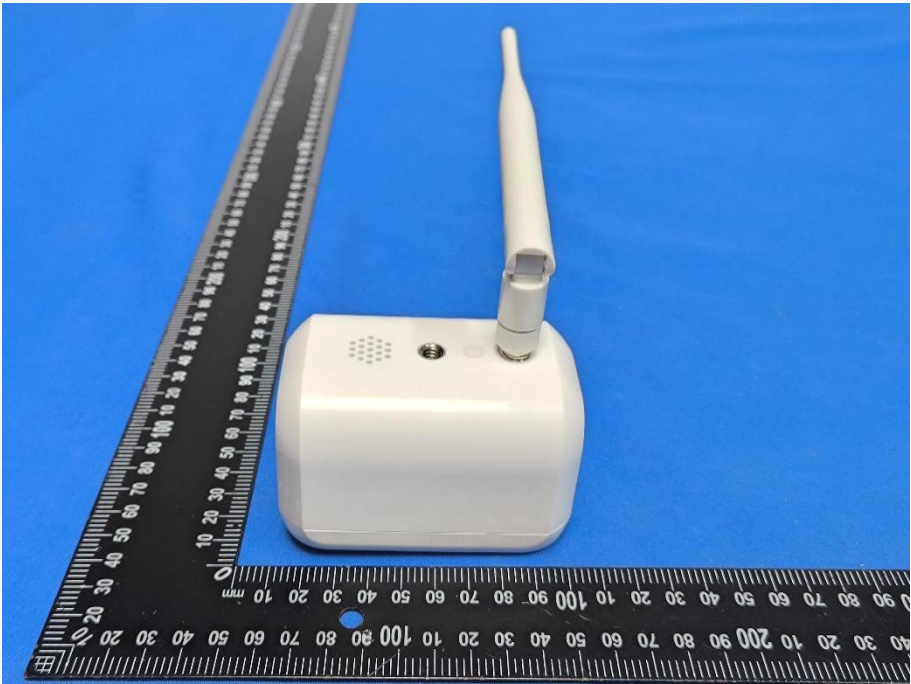

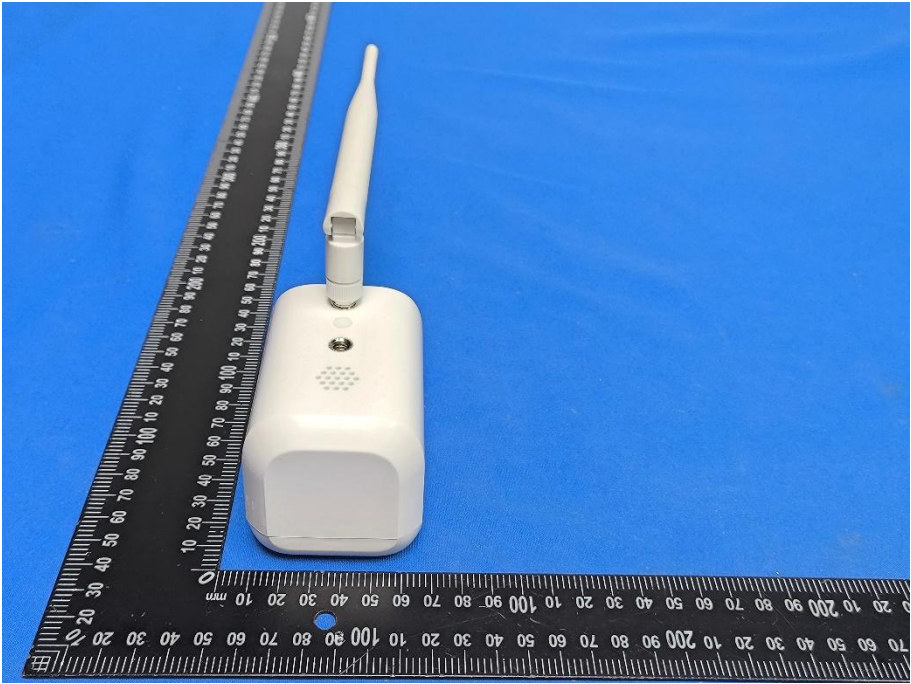

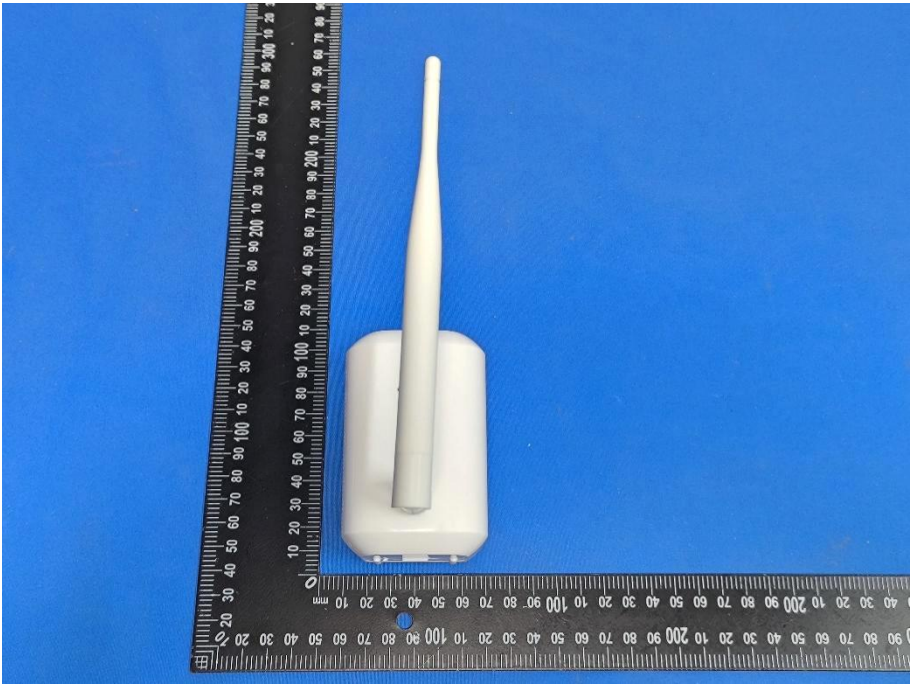

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front of a white, rectangular electronic device. The device has a black screen at the top and a circular camera lens below it. It is positioned next to a black ruler with white markings for scale. The background is a solid blue surface.
EUT View 2	 A photograph showing the side of the same white electronic device. A long, thin, white antenna is extended from the top. The device is placed next to a black ruler with white markings for scale. The background is a solid blue surface.

EUT View 3	 A photograph of a white, rectangular electronic device with a long, thin antenna extending from the top. The device is positioned next to a black ruler with white markings for scale. The ruler is placed horizontally, and the device is oriented vertically. The background is a solid blue surface.
EUT View 4	 A photograph of the same white electronic device from a different angle. The device is shown next to a black ruler with white markings for scale. The ruler is placed horizontally, and the device is oriented vertically. The background is a solid blue surface.
