

VEVOR[®]

TOUGH TOOLS, HALF PRICE

Technical Support and E-Warranty Certificate www.vevor.com/support

RESTAURANT PAGER

MODEL: P30

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

Technical Support and E-Warranty Certificate
www.vevor.com/support

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

	Warning-To reduce the risk of injury, user must read instructions manual carefully.
	CORRECT DISPOSAL This product is subject to the provision of European Directive 2012/19/EC. The symbol showing a wheeled bin crossed through indicates that the product requires separate refuse collection in the European Union. This applies to the product and all accessories marked with this symbol. Products marked as such may not be discarded with normal domestic waste, but must be taken to a collection point for recycling electrical and electronic devices
	To minimize hazards to health and the environment at the end of this product's life , laws dealing with Waste Electrical and Electronic Equipment (WEEE) and The Waste Battery Directive require you to dispose of this product at a suitable collection facility where it will be sent in order to remove the batteries and for appropriate recycling. Please contact your local authorities for more details on recycling and safe disposal of these in your area.
	Compliance is a EC & UK security certification.
 WARNING	Move away from any potential source of ignition immediately if the battery leaks or emits an unusual odor. When you notice unusual smell, heat, discoloration, deformation, or any other unusual situations in the process of using, charging, or storing batteries, you should immediately remove them from the device or charger and stop using them.

IMPORTANT SAFEGUARDS

Thank you for using this product. In order to make sure that you can operate the machine correctly, read this instruction carefully before operation and keep it properly for future reference. Please be sure to read the precautions and safety rules on this page to ensure your safe use.

This manual will outline safety warnings and precautions, operating, maintenance and cleaning. The warnings and instructions reviewed in this manual cannot cover all possible conditions and situations that may occur. Caution and common sense are not built into this product, since we believe that the uses will comply with these codes. If you have any problems, please call us. Do not try to fix the problems yourself, or it will cause injury or property damage.

Please read ALL the instructions before using your machine.

1. If the battery is low, please charge it in time.
2. Do not let children, minors, and pets get close to or touch the machine.
3. Do not immerse the appliance in water or any other liquid.
4. Do not disassemble the product.
5. Using any accessories or attachments that are not provided or recommended by the manufacturer may cause injury.
6. If the machine is not to be used for a long period of time, remove the pagers. Do not use other adapters than the included AC adapter.
7. Do not leave the product hanging over the edge of table or counter or let it come into contact with any hot surfaces.
8. Do not place the product on or near hot air, electric burners or heaters.
9. Do not apply this unit to any other purposes than the indicated usage.
10. KEEP IT OUT OF CHILDREN'S REACH.
11. DO NOT CLEAN IT WITH ANY ABRASIVE MATERIAL.
12. Please clean it regularly, at least once a month.
13. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience or knowledge, unless they have been given supervision or instruction concerning the use of the appliance by a person responsible for their safe.

FCC INFORMATION

CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment!

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) This product may cause harmful interference.
- 2) This product must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications to this product not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

Note: This product has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This product generates, uses and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the product off and on, the user is encouraged to try to correct the interference by one or more of the following measures.

- Reorient or relocate the receiving antenna.
- Increase the distance between the product and receiver.
- Connect the product to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for assistance.

The device has been evaluated to meet general RF exposure requirement.
The device can be used in portable exposure condition without restriction

PRODUCT PARAMETERS

BEFORE USING

1. Before using the appliance for the first time, peel off any promotional and packaging materials and check that the product is clean and dust-free.
2. Please dispose of all plastic bags carefully and keep them away from children and pets.
3. Check all components provided according to the list in this manual. Make sure you have all of the parts listed.

ENTER/EXIT SETTINGS MENU

- **Enter the setting menu:** Press the [Set] key within 10 seconds after turning on the phone to enter the setting menu, press Correspond to the [Number] key to select the corresponding setting option (for example, 1 corresponds to F1), and then press [Set] key to enter settings;
- **Exit the setting menu:** Press the [GO] key to confirm and return; press the [Set] key to exit Cancel and return; press [Delete] key to exit the setting.

PRODUCT SETTINGS

- **[F1] Set base ID (1-998)**

After entering the setting menu "F1", press the [Number] key to change the base ID number.

- **[F2] Set the base buzzer switch (0-1)**

After entering the setting menu "F2", press the [Number] key to change the buzzer on the base. Off setting (0: off, 1: on).

- **[F3] Set the extension number (1-998)**

After entering the setting menu "F3", press the [Number] key to input 1-998 numbers, and then take the phone out of the base and press the [GO] key within 5 seconds. There will be a beep when the setting is successful.

- **[F4] Set extension vibration (0-1)**

Put the extension back on the base, enter the setting menu "F4", and press the [GO] key to set all extensions to vibrate (0: off, 1: on), and a buzzer will sound if the setting is successful.

- **[F5] Set extension buzzer (0-1)**

Put the extension back on the base, enter the setting menu "F5", and press the [GO] key to set the beep for all extensions (0: off, 1: on). There will be a beep prompt if the setting is successful.

- **[F6] Set extension reminder duration (5-250)**

Put the extension back on the base, enter the setting menu "F6", and press the [GO] key to set the reminder duration for all extensions. There will be a buzzer prompt if the setting is successful.

HOW TO USE

- **Call extension**

Use the numeric keys to enter the corresponding extension number and press the [GO] key to call.

- **Convenient calling**

Press the [+ and -] keys to the corresponding number and wait for 2 seconds to automatically call.

- **Extension shutdown**

Put the extension back into the base, enter 999 on the keyboard, and press the [GO] key to turn off the phone.

CLEANING AND STORAGE

1. If the machine is not to be used for a long period of time, Remove power, clean and cover it and store it in a dry and safe place.
2. Wipe with a soft, dry cloth. Be sure to keep the product dry
3. Please put the pager and host together.
