Warning:

- Pay attention to adding essential oil after it is consumed. If you work without essential oil for a long time, the machine will be damaged.
- Prohibit tilting or shaking the machine to prevent oil spills and damage to equipment.
- Ensure the battery surface is clean and dry. Please wipe off immediately if accidentally in contact with being dropped into water, oils, or other liquid substances.
- If the machine will not be used for a long time (2 months), please remove the batteries.
