

Guangzhou Bochong Technology Co., Ltd

May 7, 2024

To Whom It May Concern:

We, Guangzhou Bochong Technology Co., Ltd, hereby apply for Class II permissive change to the approved product under FCC ID: 2BCDM-FRANK, date of original grant: 09/24/2023.

There are two changes, as follows:

1. The model's name has been changed, based on original models FR, FRW, FRV to update models. The new models are FRANK, FRW, REM, REW, REM1, REW1.

2. Add one type control circuit PCB board.

The models FRANK and FRW use control circuit PCB board B. The models REM, REW, REM1 and REW1 use control circuit PCB board C.

Radiated emission is tested again and demonstrates to compliant to the limit per FCC part15.247 and part15.209.

Sincerely,

Guangzhou Bochong Technology Co., Ltd
