A circular printed circuit board (PCB) for a Sony CCD camera, model PCF-A 94V-D. The board is populated with various electronic components, including a large central integrated circuit (IC), several smaller ICs, capacitors, and resistors. It features multiple connectors, including a large multi-pin connector at the bottom and a smaller one on the right. The board is shown next to a ruler for scale, indicating its diameter is approximately 100mm. The text on the board includes "2401162723-1.0 Rev1 Sept", "PCF-A 94V-D", "VA1 8883006", "NY2140", and "14084".
