

Customer information

Model: OB1496

Input: 5V \leq 50mA

FCC ID: 2BCOY-OB1496

IC ID: 32736-OB1496

HVIN:OB1496

Safety hints

The appliance is suitable for use together with
IT and Audio/Video equipment/Home appliance only.

The maximum ambient temperature during use of the appliance must not
exceed 40°C.

The appliance is suitable for moderate climates only.

The ventilation must not be impaired by covering the appliance with items
such as newspapers, table cloths, curtains, etc.

Naked flame sources, such as candles, must not be placed on the
appliance.

The appliance and the mains-socket must all times be easily accessible.

In case of broken cords or plugs the appliance must be disposed.

The appliance does not require much attention. If you want to clean it,
please use only dry cloths or a brush.

FCC Compliance Statement

This device complies with part 15 of the FCC Rules. Operation is subject to
the following two conditions: (1) this device may not cause harmful
interference, and (2) this device must accept any interference
received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible
for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits
for a Class B digital device, pursuant to Part 15 of the FCC Rules. These
limits are designed to provide reasonable protection against harmful
interference in a residential installation. This equipment generates, uses and
can radiate radio frequency energy and, if not installed and used in
accordance with the instructions, may cause harmful interference to radio
communications. However, there is no guarantee that interference will not
occur in a particular installation. If this equipment does cause harmful
interference to radio or television reception, which can be determined by
turning the equipment off and on, the user is encouraged to try to correct the
interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to
which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Warning: Changes or modifications to this unit not expressly approved by
the part responsible for compliance could void the user's authority to operate
the equipment.

FCC Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement.
The device can be used in portable exposure condition without restriction.

ISED Compliance Statement

This device complies with Canada Industry licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference. and (2) this device must accept any interference. Including interference that may cause undesired operation of the device.

Cet appareil contient un ou des émetteurs exempts de licence conformes aux RSS exempts de licence d'Innovation, Sciences et Développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes :

1. Cet appareil ne doit pas causer d'interférences.
2. Cet appareil doit accepter toutes les interférences, y compris les interférences susceptibles d'entraîner un fonctionnement

ISED Exposure Statement

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

L'appareil a été évalué pour répondre aux exigences générales d'exposition aux RF. L'appareil peut être utilisé sans restriction dans des conditions d'exposition portables.

Symbols used:

Indoor use only
