Product Similarity Declaration

Date: 2025-06-10

To whom it may concern:

Dear Sir/Madam,

We, Fanvil Link Technology Co.,LTD. hereby declare that we have a product named as (IP Phone, model: V66, J660, FCC ID: 2BCUQ-V66), all the models are identical in electrically, the difference is the model name, touch screen and appearance structural differences. There is no other difference. See the table below for specific differences:

Model	Appearance photos
V66	 A black Fanvil V66 IP phone with a 4.3-inch color touch screen display on top and a standard 24-key numeric keypad with function keys below. The phone is connected to a power adapter.
J660	 A black Fanvil J660 IP phone, which is identical in design to the V66 but lacks the physical keypad below the screen, instead using a softkey interface.

We confirm that all information above is true, and we'll be responsible for all the consequences. Please contact me if you have any question.

Sincerely,

Signature,

Mengjiao Hu
