

Product Similarity Declaration

Company: Dongguan Changsheng Tai Electronics Co., LTD

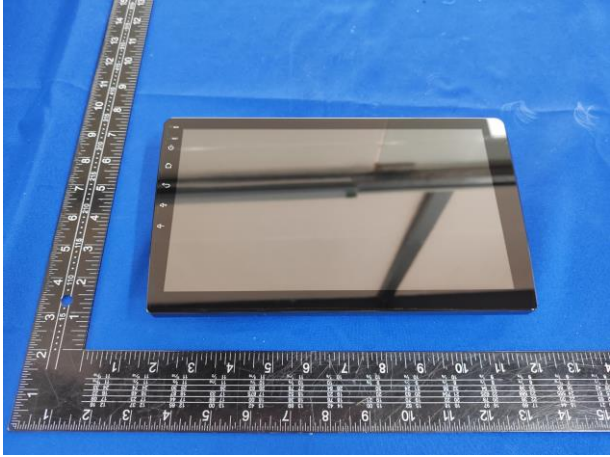

Address: Building 1, No.50 Fumin Road, Fenggang Town, Dongguan City, Guangdong Province, China

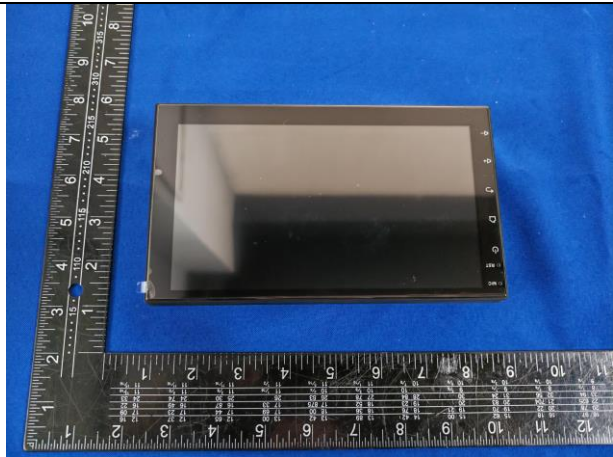

Product Name: Car player

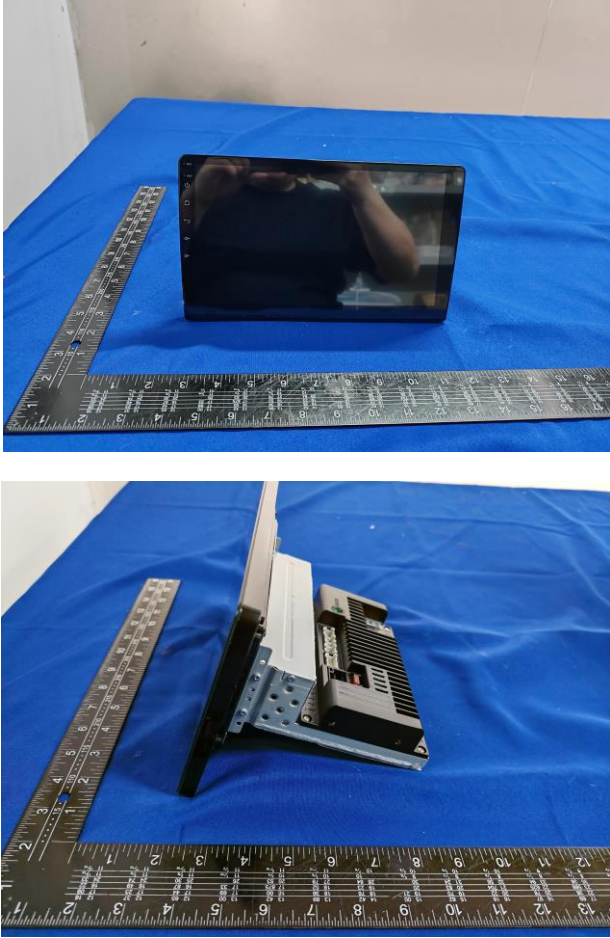

Model Number: 961,
701ST, 960, 9012T, AC8257, CF201, FE901, SFR621

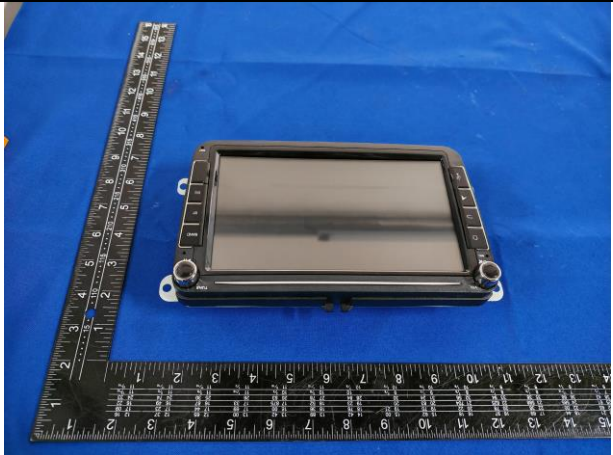

FCC Identifier: 2BCV5-961A

We (Dongguan Changsheng Tai Electronics Co., LTD) hereby state that all the models are electrical identical including the same software parameter and hardware design (i.e., circuit design, PCB Layout, RF module/circuit, antenna type(s) and antenna location, components on PCB, etc.), same mechanical structure and design (including product enclosure, materials, etc.), the only difference is the model name and appearance(the shell, button shape, screen size and the installation position of the motherboard), The detailed model differences are shown in the following table:

Model No.	Product picture	Explanation
961		Main test model

701ST		The difference from the main test model is the screen size.
960		The differences from the main test model are the screen size and the shape of the keys.
9012T		The difference from the main test model is the screen size.

<p>AC8257</p>		<p>The differences from the main test model lie in the screen size and the installation position of the motherboard.</p>
<p>CF201</p>		<p>The differences from the main test model lie in the screen size, key shape and the installation position of the motherboard.</p>

		
FE901		The differences from the main test model are the screen size and the shape of the keys.
SFR621		The differences from the main test model are the screen size and the shape of the keys.
