A: 1. Take both right and left earphone out of the charging case, then check whether exist dust on the charging pin of earphone and the case. If have dust, clean it right now. 2. Put both earphone in charging case, then close the case, and charge the case for three hours. 3. clean the Bluetooth connecting history of the nearby smartphones, laptop or tablet pc. (to make sure this earbuds not connected with nearby device). 4. reset both right and left earbuds.</p> <p>Q: How to choose the charger to charge the Wavefun G100? A: For Wavefun G100, we control the charging risk by the original charging cable, its a 5V/1A charging cable, so no matter which charger you are using, just make sure you are using the charging cable offered in the box. If you lost the cable, please use 5V/1A/ 5V/2A charging dock to charge the case.</p> <p>Warranty</p> <p>We guarantee every product has undergone rigorous tests prior to shipping. We are so confident in the quality of our products that we offer a one year warranty from the date of purchase.</p>	<p>Tips</p> <p>1. Before using the earbuds, please read the manual carefully and keep it for future references. 2. The earbuds need to be fully charged prior to first-time use. 3. If the earbuds are left unused for over two weeks, please recharge it periodically. 4. Please ensure using the proper size of eartip. 5. If use unsuitable eartip, the earbud may not fit in the ear well. That may also has an influence on audio quality. Overcharging or keeping the earbud in a closed car or similar environment for a long periods will reduce the capacity and life of the battery. It is not recommended to charge the earbuds overnight. 6. Keep the earbuds dry. 7. Please arrange using time properly since your hearing may be damaged by using the device for a long time.</p> <p>Safety and Care</p> <p>1. Never disassemble or modify your earbuds for any reasons to avoid any damages and danger. 2. Do not store the earbuds in extreme temperatures (under 0°C or over 45°C). 3. Avoid using the indicator to the eyes of children or animals. 4. Do not use this item during a thunderstorm to avoid irregular function and increased risk of electric shock. 5. Do not use harsh chemicals or strong detergents to clean the earbuds. 6. Keep the earbuds dry. 7. Please arrange using time properly since your hearing may be damaged by using the device for a long time.</p>	<p>FCC Warning</p> <p>This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference. (2) This device must accept any interference received, including interference that may cause undesired operation. NOTE 1: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: - Reorient or relocate the receiving antenna. - Increase the separation between the equipment and receiver. - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. - Consult the dealer or an experienced radio/TV technician for help.</p> <p>NOTE 2: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p>The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</p>	<p>Happy ☺</p> <p>We're just happy that you're happy.
