Re: Change of Identification Authorization

Date: 2024-03-19

To Federal Communications Commission  
Authorization and Evaluation Division  
7435 Oakland Mills Road  
Columbia, MD

The letter grants authorization for representatives of Meruti Design Inc.

Product Name: BLE Module

Model name: MQM711-1B, MQM711-1P, MQM711-1U

FCC ID: 2BD7VMQM711

to apply the FCC for a change in identification as specified under part 15C of the FCC rules ;

This authorization applies to

Original applicant: Ehong Technology Co.,Ltd

Original Certificate: 2ACCREQM1001 and issued Date: 03/17/2024

The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

Note: The definition of identical should be “electrically identical”. Per FCC section 2.924 and 2.933, “a device will be considered to be electrically identical if no changes are made to the device’s schematics, board layout, component layout, chip sets, resistors and all other electrical aspects of the device are identical”

Should there be any questions, please feel free to contact us.

Sincerely ,
