

## Family Certification Declaration

We (Volex (Asia) Pte Ltd) Hereby, declared that the models 5220443, 5220353, 5220368 are the same as each other in hardware and electronics, the difference is only the model number for different market.

The Model number, PMN, HVIN and FVIN are as below.

Model Number	PMN	HVIN	FVIN	Frequency
5220443, 5220353, 5220368	NACS EV Charging Connector	V1.1	S1.0	315MHz
5220443, 5220353, 5220368	NACS EV Charging Connector	V1.1	S2.0	433.92MHz

The above difference is only the FVIN (S1.0 for 315MHz frequency and S2.0 for 433.92MHz frequency). The hardware and electronics are same without any difference for the two FVIN S1.0 and S2.0.
