

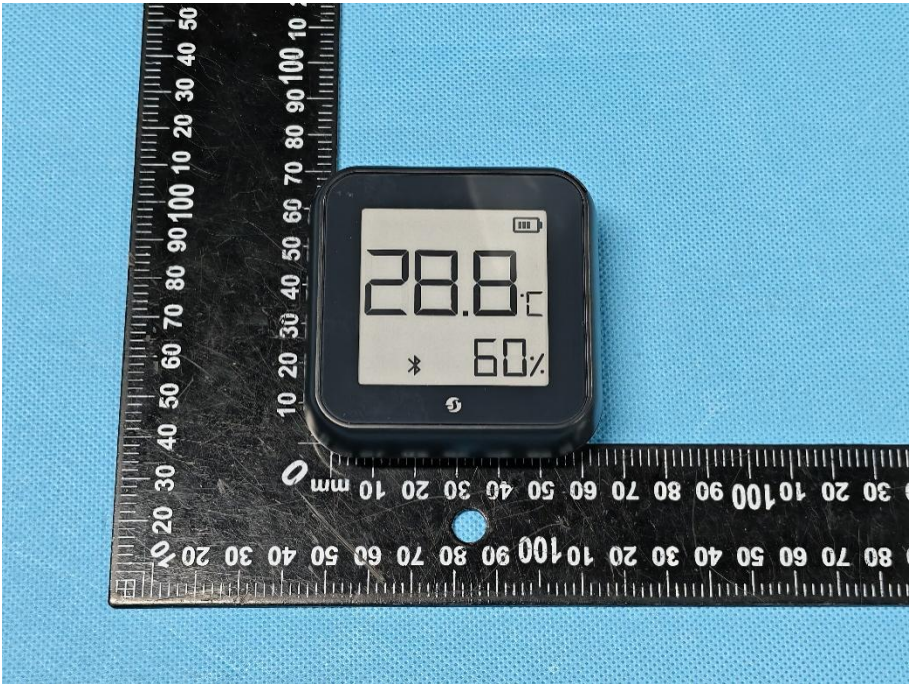

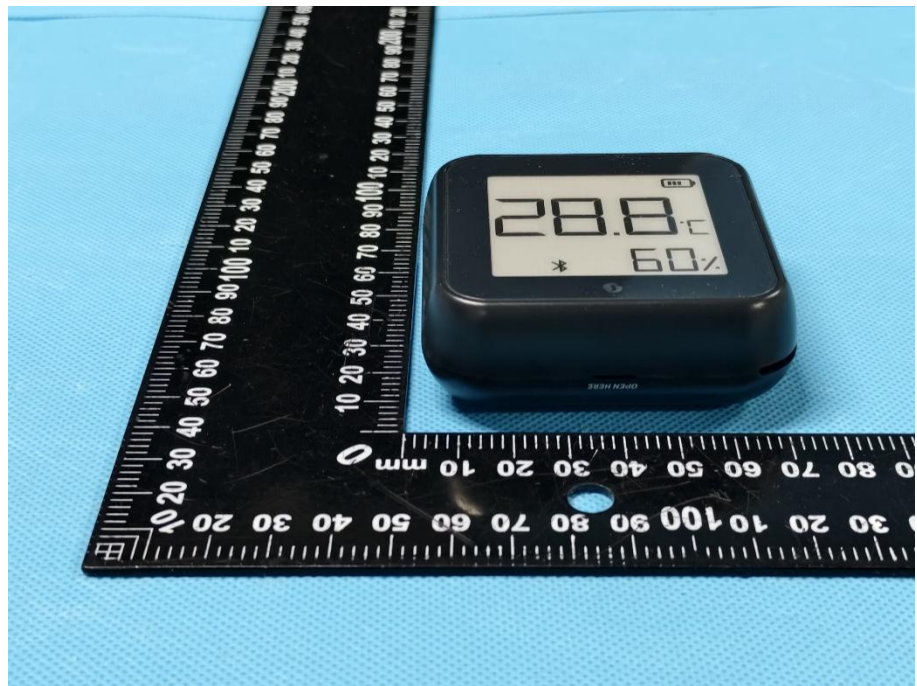

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black, square-shaped electronic device (EUT) is shown from the front. It has a small LCD screen displaying '28.8°C' and '60%' with a battery icon in the top right corner. A Bluetooth symbol is visible below the screen. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows centimeters and millimeters.
EUT View 2	 The back of the black electronic device is shown. It features two circular ports (likely for USB Type-C and a reset button) and a small label with the following text: 'Shelly H&T', 'Humidity & Temperature Wi-Fi sensor', 'Batteries: 4 x AA (LR6)', 'USB Type-C, 5V/500mA', 'CE' mark, 'B0124 Ver1', and 'Manufacturer: Shelly Europe Ltd. 103 Cherni Vrah Blvd., 1407 Sofia, Bulgaria'. The device is placed on a blue textured surface next to a black ruler with white markings.

EUT View 5

EUT View 6

EUT View 7	 A close-up photograph of the bottom edge of a black electronic device, likely a mobile phone. The device is resting on a light blue surface with a fine, repeating dot pattern. In the foreground, a USB-C port is visible, partially recessed into the device's frame. Above the port, there are two circular holes, possibly for a microphone or sensors. In the background, regulatory markings are visible, including the CE mark and some text that is partially legible, such as "Shenzhen Sheng Sheng Co., Ltd." and "Shenzhen, China".
