

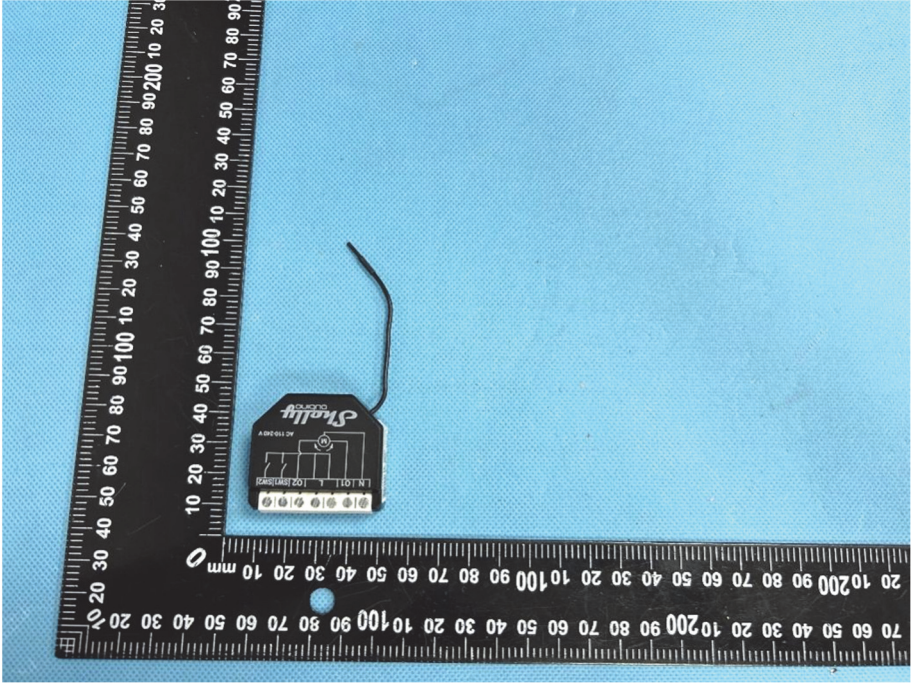

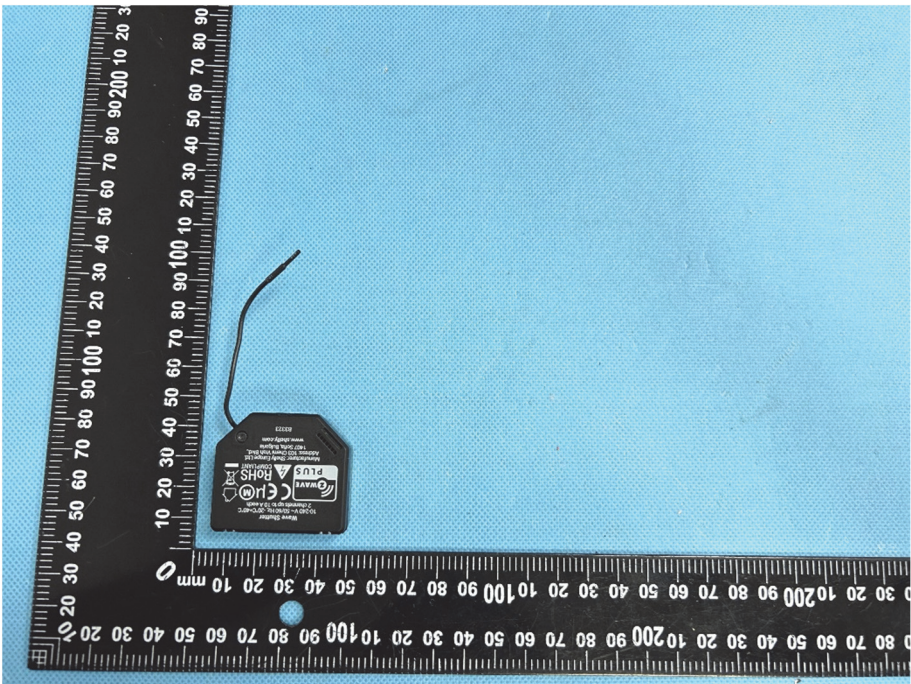

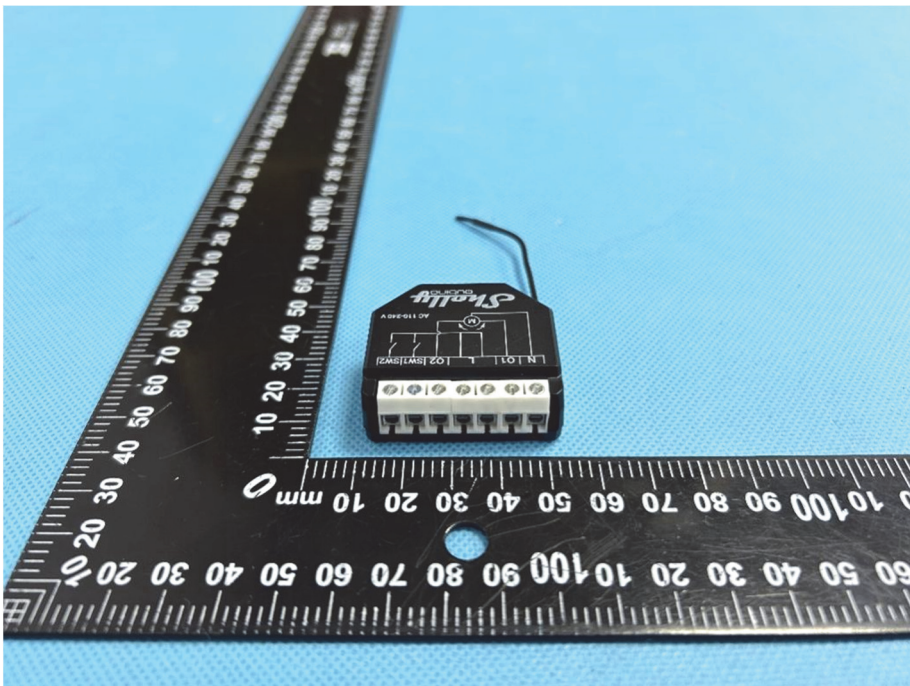

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

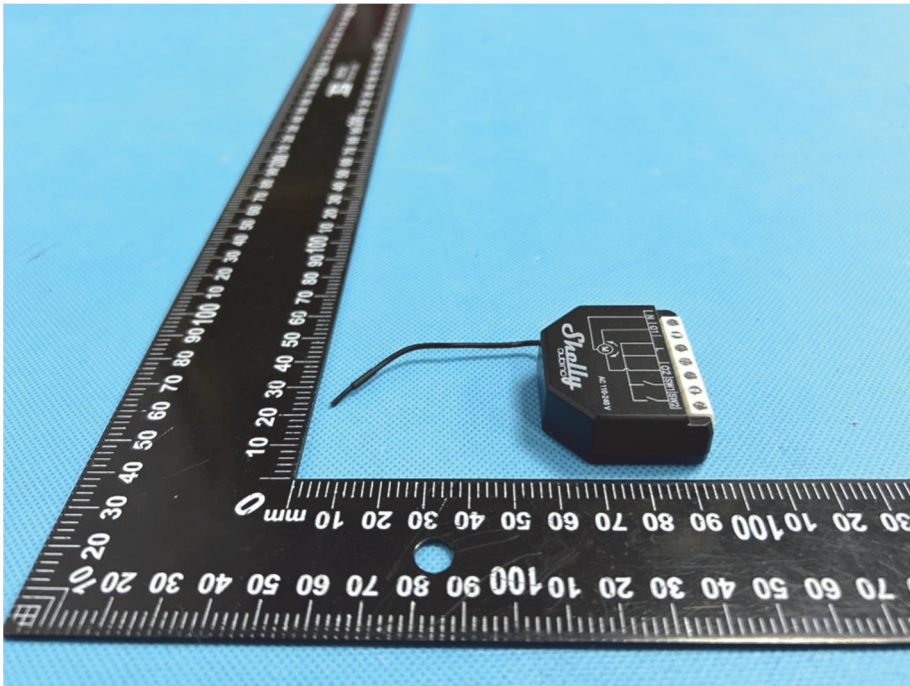

Model: Wave Shutter

EUT View 1	 A photograph of the EUT (Wave Shutter) from View 1. The device is a small, black, rectangular component with a thin wire extending from it. It is placed on a light blue surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The device is positioned near the corner of the ruler, with the wire extending upwards and to the right.
