

Model difference letter

2023.11.01

Dear MET Reviewer,

This is a new Application from **RecPro**.

Model No.: **RV611H, RP-1216**

Use **RP-1216** for all tests. Only the model name is different. Such as product color, appearance, internal layout, circuit layout, model and specification of control panel and module, and specifications and materials of antenna are all the same.

Thank you for your cooperation!

Yours sincerely,

Signatory:

A handwritten signature in black ink that reads "Matthew Pico". The signature is written in a cursive, flowing style.
