

Appendix B. Measurement equipment

Radiated test	AC Conducted test
 A photograph of an anechoic chamber. The walls are covered in white, rectangular acoustic absorption panels. The floor is black with a white checkered pattern. In the center, there is a white rectangular object on a white pedestal, and a blue and yellow tripod-mounted device. The KESK logo is visible on the left wall.	N/A
 A photograph of an anechoic chamber, similar to the one above. The walls are covered in white, rectangular acoustic absorption panels. The floor is black with a white checkered pattern. In the center, there is a white rectangular object on a white pedestal, and a blue and yellow tripod-mounted device. The KESK logo is visible on the left wall.	N/A
