After selecting any light effect, you can adjust the corresponding parameters such as brightness, color temperature, hue saturation and frequency.</p>  <h4>4.Master Mode</h4> <p>In this mode, you can open or close the Master mode. After the Master mode is opened, four channels A, B, C, and D can be selected after selecting a channel, any light can be used as a remote control to control all lights under that channel. Tip: In Master mode, the APP control will invalid.</p>  <h4>5.Language</h4> <p>In this interface, you can switch to choose languages between Chinese and English.</p>  <h4>6.BLE Reset</h4> <p>Enter this mode,you can disconnect current device's Bluetooth pairing and reset the pairing.</p>  <h4>7.BLE MAC</h4> <p>Display the Bluetooth number of the device, which is consist with the APP side.It's convenient for search and control after multiple devices are connected to the APP.</p>  <p>-5-</p> | <h3>■ Specifications</h3> <table border="1"> <tbody> <tr> <td>Light Dimensions</td><td>94x60x19mm</td></tr> <tr> <td>Light Weight</td><td>124g</td></tr> <tr> <td>Max.Output Power</td><td>5W</td></tr> <tr> <td>DC Input</td><td>5V/2A</td></tr> <tr> <td>Battery Type</td><td>Lithium Polymer Battery (3.7V/3300mAh)</td></tr> <tr> <td>Working Time at Max.Power</td><td>Light approx: 2.5hrs<br/>With extended power box approx: 5hrs</td></tr> <tr> <td>Charging Time</td><td>Approx. 3hrs</td></tr> <tr> <td>Working Temperature</td><td>-10°C to 40°C</td></tr> <tr> <td>CRI</td><td>95+</td></tr> <tr> <td>TLCI</td><td>96+</td></tr> <tr> <td>Color Temperature</td><td>2500K-10000K</td></tr> <tr> <td>Max. Brightness</td><td>0.3m:1400lx    0.5m:490lx<br/>1m:120lx</td></tr> </tbody> </table> <p>-6-</p> <h3>■ Caution</h3> <p>It is normal for the device to heat up a bit during charging and use.<br/>When the device is used for a long time at an ambient temperature above 40°C, it may trigger high temperature protection and shut down. After cooling down, it can be restarted and used normally.<br/>There is a small amount of battery drain when the device is not in use.<br/>• Store in a cool, dry place for long-term storage.<br/>• Do not place it in water, fire or near any corrosive chemicals.</p> <h3>■ Warranty</h3> <ul style="list-style-type: none"> <li>• One-year free warranty: within one year from the date of purchase,there is a quality problem occurred under normal use, you can enjoy free maintenance services.</li> <li>• Lifetime limited warranty: If the product is damaged due to improper use or unauthorized modification or repair, or the product exceeds the one-year free warranty period, our company will provide paid maintenance services. The cost of the actual replacement material shall prevail, and no labor fee will be charged.</li> </ul> <p>-7-</p> | Light Dimensions | 94x60x19mm | Light Weight | 124g | Max.Output Power | 5W | DC Input | 5V/2A | Battery Type | Lithium Polymer Battery (3.7V/3300mAh) | Working Time at Max.Power | Light approx: 2.5hrs<br>With extended power box approx: 5hrs | Charging Time | Approx. 3hrs | Working Temperature | -10°C to 40°C | CRI | 95+ | TLCI | 96+ | Color Temperature | 2500K-10000K | Max.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                  |            |              |      |                  |    |          |       |              |                                        |                           |                                                              |               |              |                     |               |     |     |      |     |                   |              |                 |                                       |

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction
