|  <p>The diagram shows a black PCB antenna with a meander line. The overall width is 15.2mm. The left vertical segment has a height of 5.7mm. The bottom horizontal segment has a width of 12.5mm. The right vertical segment has a height of 3.44mm. The meander line consists of three rectangular loops.</p> |                                                                                |
