# STEP ONE

You can add your Groove Wallet Trace to the Apple Find My app on your iPhone or iPad in a few easy steps:

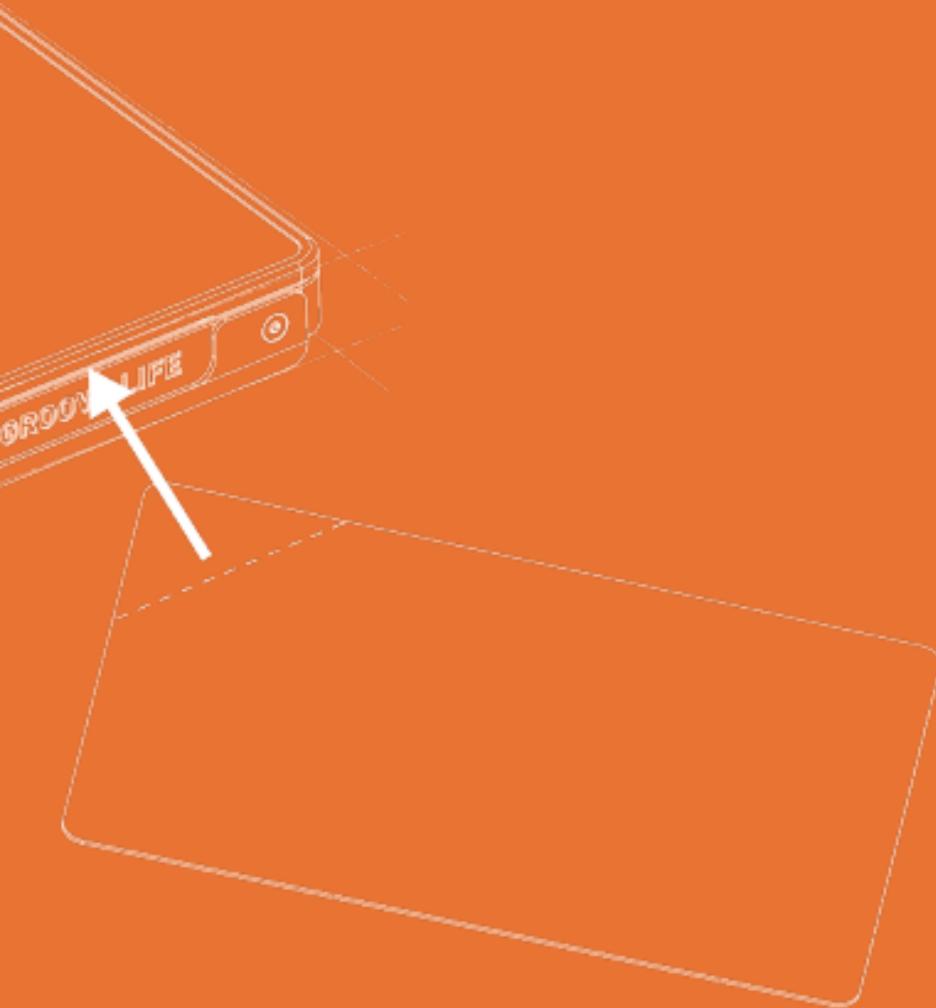

- 1 Press and release the power button to turn on the Groove Wallet Trace. You should hear a chime.
- 2 Open the Apple Find My App.
- 3 Double click the power button on your Groove Wallet Trace twice. You should hear a beep to signify the product is ready for bluetooth pairing.
- 4 In your Find My App click the “+” button.
- 5 Select “Add Other Item”. Your iPhone, iPad, iPod touch, or Mac will locate the Groove Wallet Trace and bring up a notification on your phone to “Connect” and name your Groove Wallet Trace.

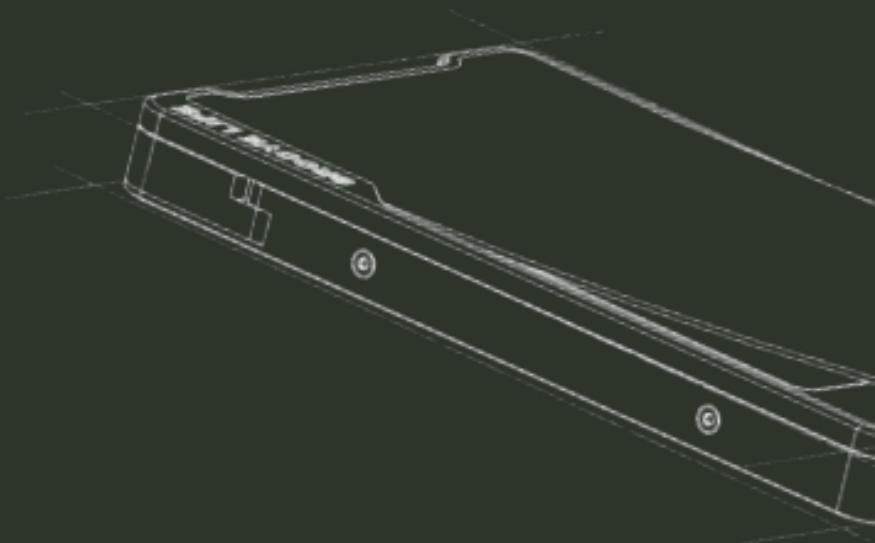

- 6 To turn off the Groove Wallet Trace, hold the power button for five seconds. A chime will play to signify that it has been successfully turned off.
- 7 After setup, you can locate your Groove Wallet Trace in the Apple Find My app on your iPhone, iPad, iPod touch, or Mac.

# STEP TWO

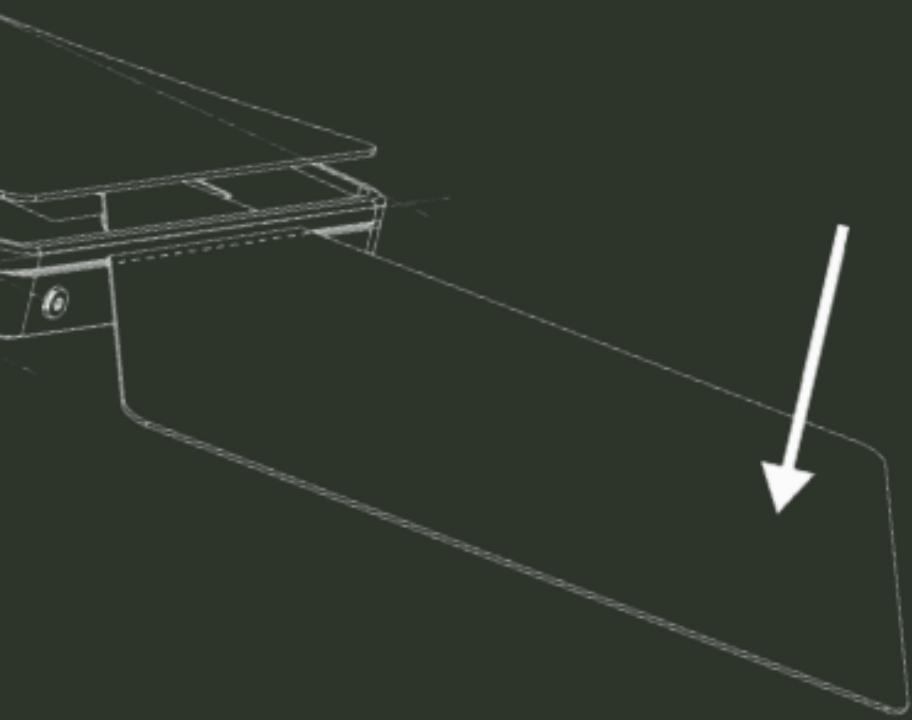

Insert a credit card into the slot on the bottom of the wallet all the way up to the indicated line as shown.

# STEP THREE

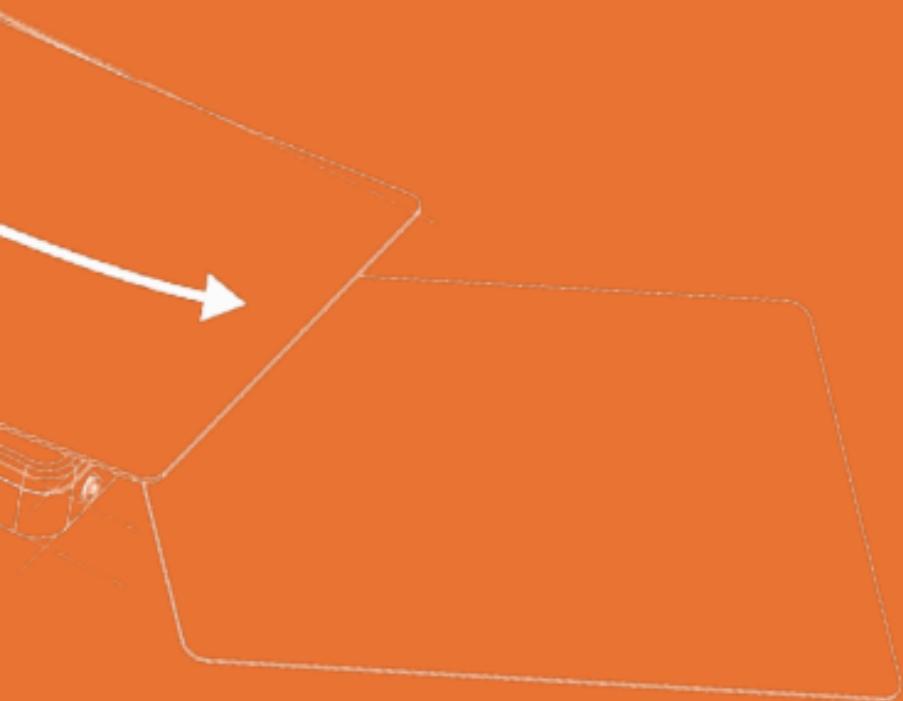

Push down on the card to lift the back of the faceplate off of the wallet.

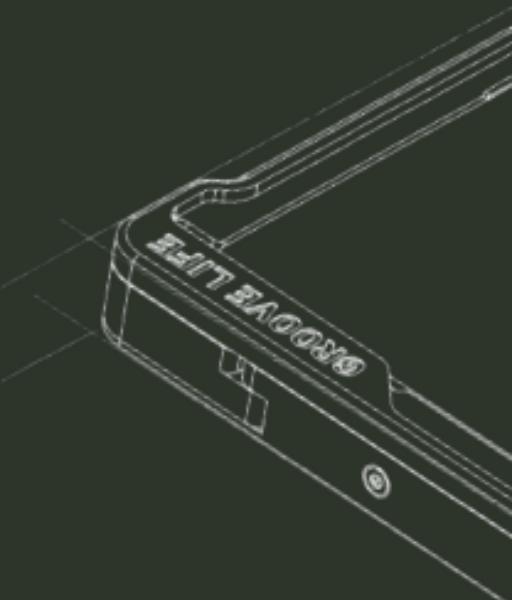

# STEP FOUR

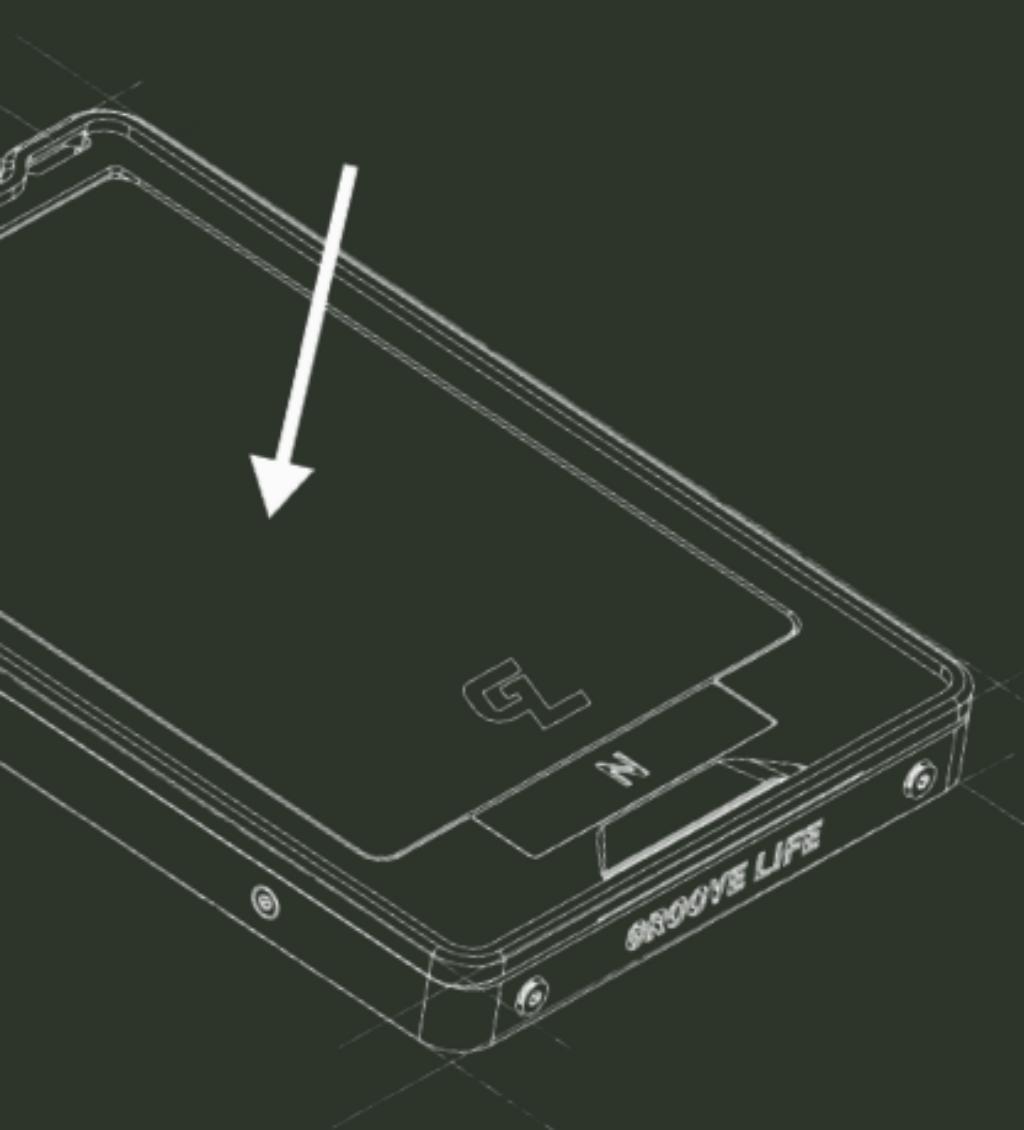

Slide the Insert straight backwards off of the wallet.

# STEP FIVE

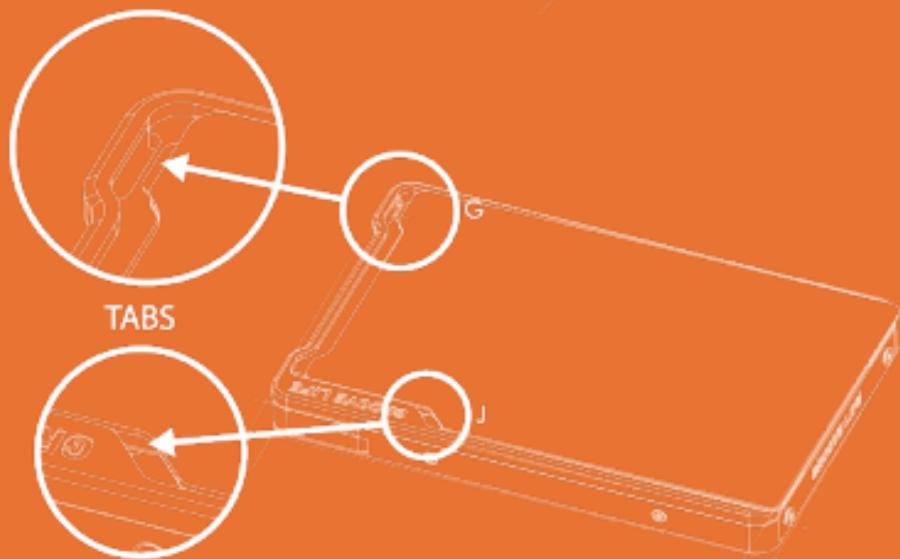

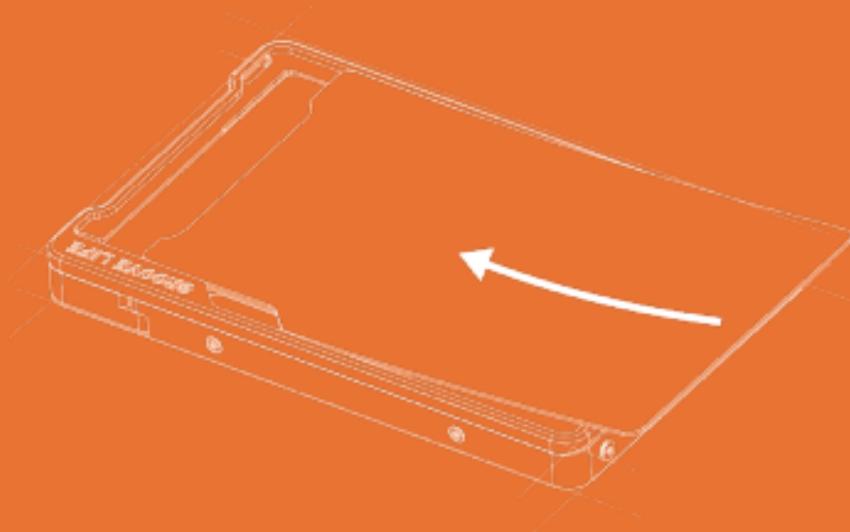

Place the tracker into the recess in the wallet. Be sure to orientate the tracking card with the GL logo facing up and positioned in the bottom center.

# STEP SIX

Slide insert from the back of the wallet towards the front. Make sure the tabs at the top of the insert slide into the recesses in the wallet. If tabs are located correctly, slide the insert forward firmly to seat the insert.
