Solder Board-Component View 3	 A photograph of a small, rectangular, yellow-green printed circuit board (PCB) component. The component is positioned horizontally and is surrounded by a black L-shaped ruler for scale. The ruler has white markings in millimeters and centimeters. The component features various electronic components, including a large black integrated circuit (IC) in the center, several smaller components, and a circular component on the right side. The background is a blue textured surface.
Solder Board-Component View 4	 A photograph of the same yellow-green PCB component from a different perspective. The component is positioned horizontally and is surrounded by a black L-shaped ruler for scale. The ruler has white markings in millimeters and centimeters. The component features a large black integrated circuit (IC) in the center, several smaller components, and a circular component on the right side. The background is a blue textured surface.
