

CMOSTEK

POWER:DC4.5V

Operation Frequency: 433.92MHz

Modulation Type: FSK

FCC ID:2BE2UCMT2380F64

MADE IN CHINA

Address: 30th floor of 8th Building, C Zone, Vanke Cloud City, Xili Sub-district, Nanshan, Shenzhen, GD, China,,PRC30th floor of 8th Building, C Zone, Vanke Cloud City, Xili Sub-district, Nanshan, Shenzhen, GD, PRC China,518055

this device complies with part 15of rhe FCC Rules,operation is subject to the following two conditions:(1) this device may not cause harmful interference ,and (2) this device must accept any interference received, including interference that may cause undesired operationl

MODEL : CMT2380F64-EQR

Equipment: sub-1GHz soc tansceiver

model: CMT2380F64-EQR

Quantity: 3000

Package: QFN40 (5x5)
