

FCC ID: 2BE7T-EX018

IC: 32110-EX018

Device without cover

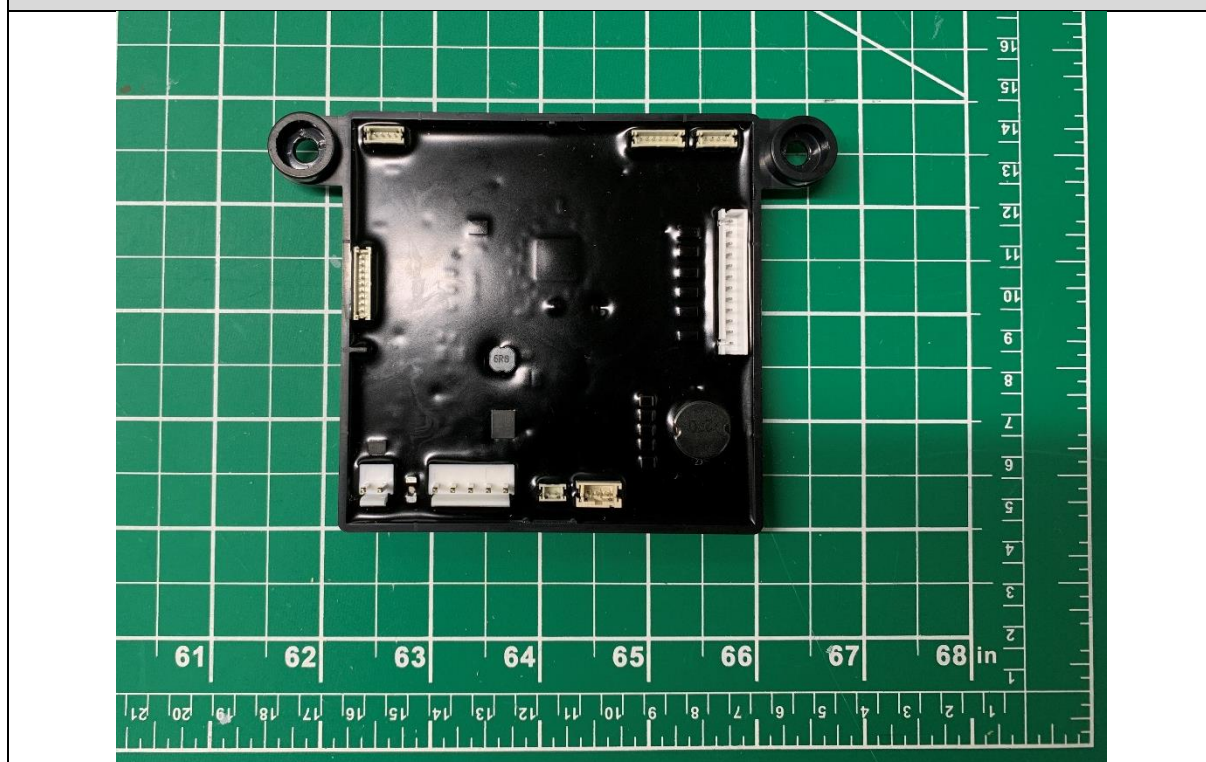

Main electronic and compressor motor

Main electronic – front side

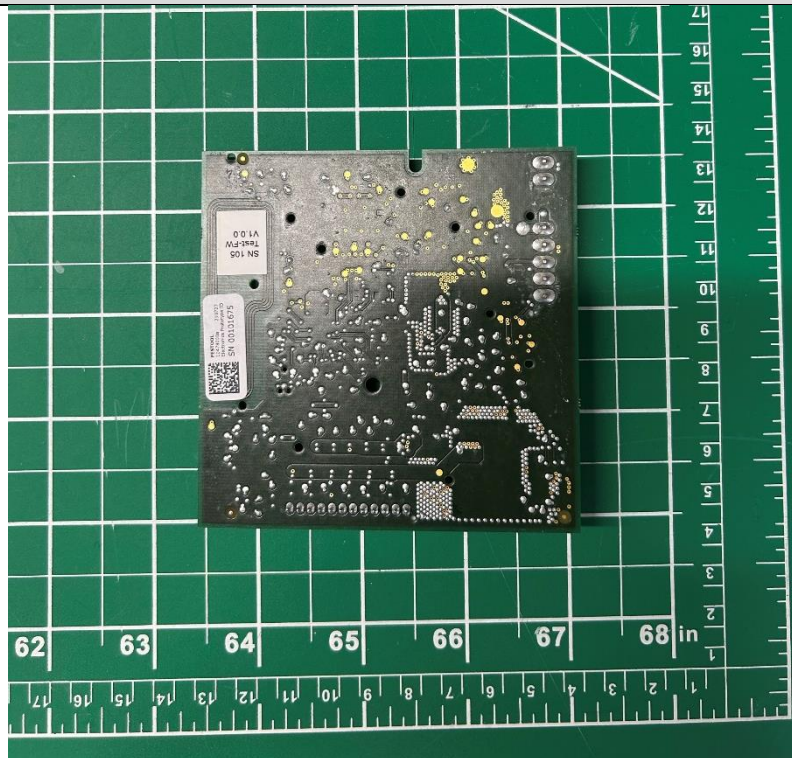

Main electronic – rear side

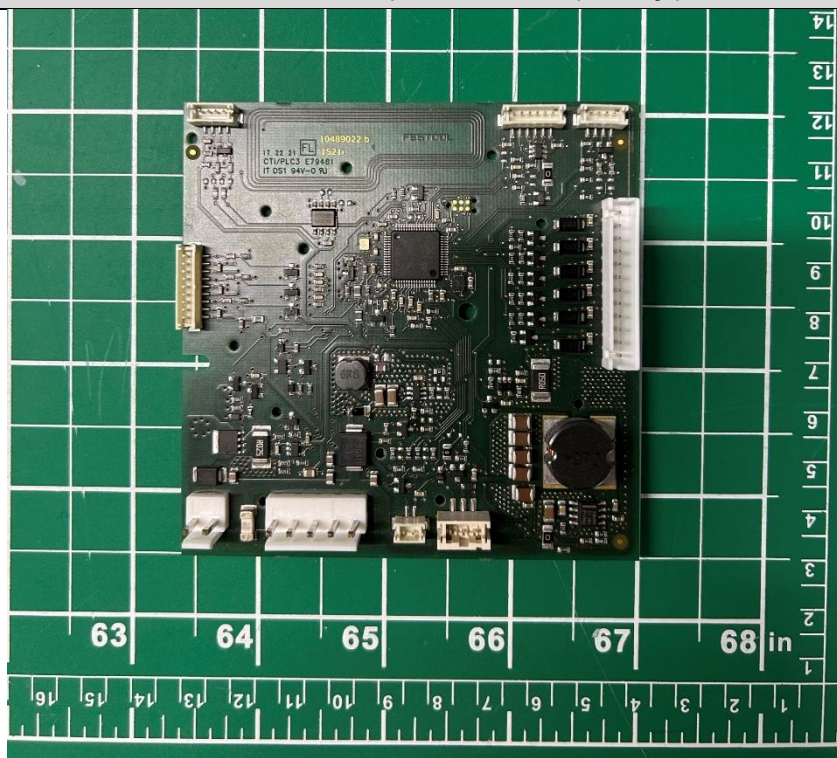

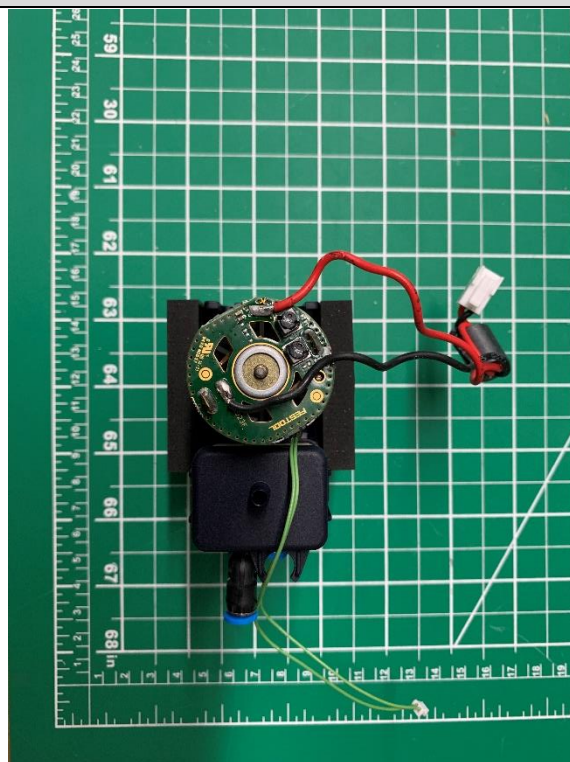

Main electronic – front side (Sample before the potting production step)

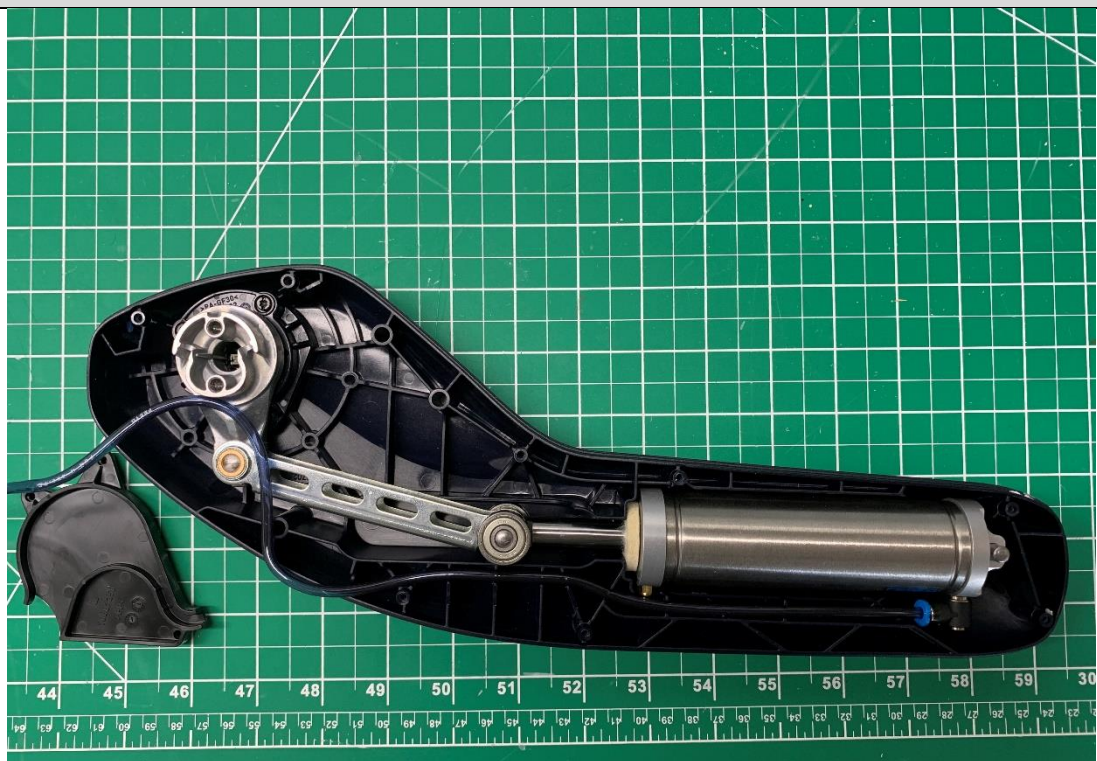

Main electronic – rear side (Sample before the potting production step)

Motor electronic

Arm actuator without cover

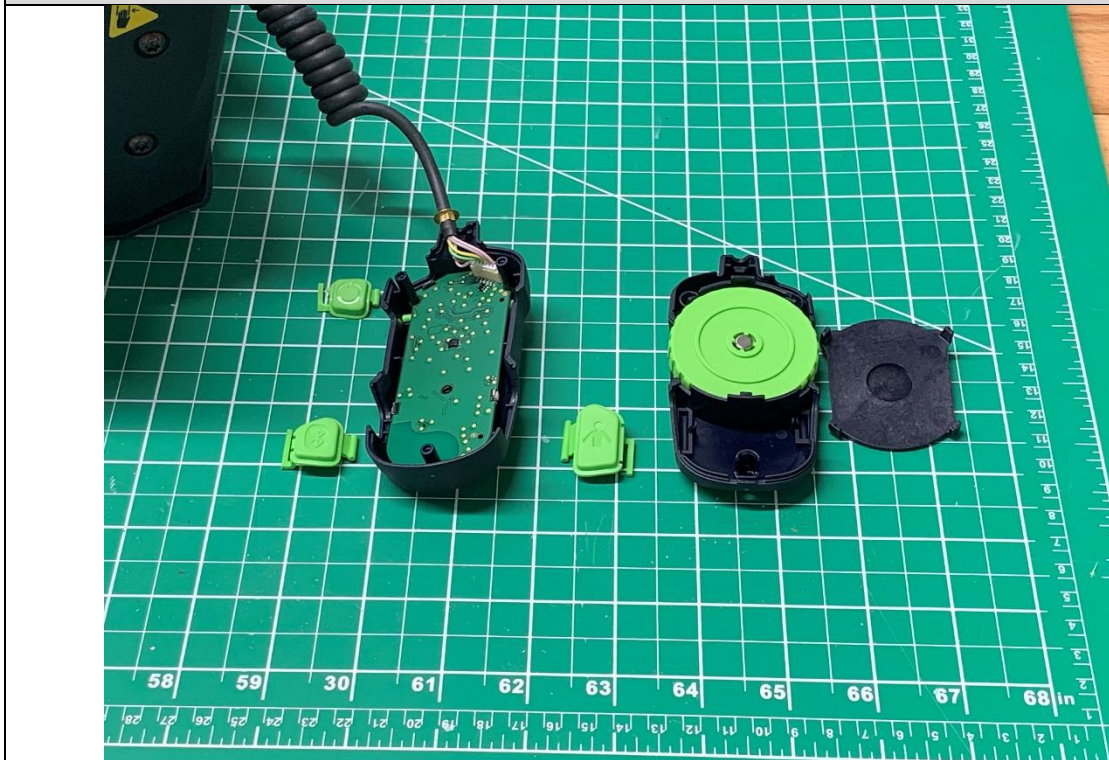

Angle sensor – Top side

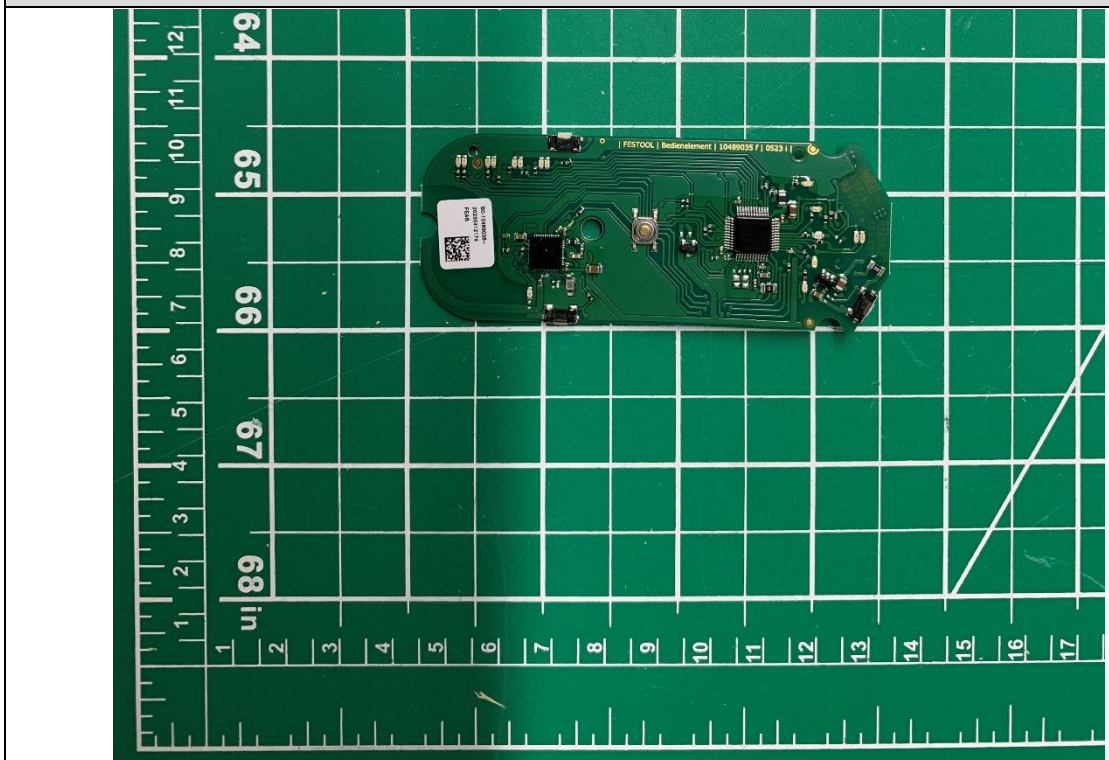

Angle sensor – rear side

Operating device without cover

Operating device electronic – top side

Operating device electronic – rear side
