3. What should I do if the image is not rectangular?

Auto Keystone Correction: Go to Home - Settings - Projector Settings and select Start auto-keystone. The projector will automatically correct keystone distortion.

Manual Keystone Correction: Go to Home - Settings - Projector Settings - Image correction - Manual keystone and follow the on-screen instructions to adjust the image using four-point correction.

4. How do I change the image size on my screen?

Consider moving the projector closer or further away from the screen to find the optimal image size for the screen. You can also adjust the image size by going to Home - Settings - Projector Settings - Image correction - Zoom.

5. How do I install the Remote Control Mobile App?

The Roku app shows you how to use your mobile device as a full-functioning remote control with voice search & keypad. 1. Download the Roku app to your phone or tablet through Google Play® or Apple App Store®. 2. Simply search for "Roku App" and choose the Roku app by Roku Inc. 3. Follow the on-screen prompts and you're on your way!

6. Cannot connect to a wireless network (Wi-Fi)?

* Select the correct wireless network name and verify the password is entered (ensure all letters are lower case). * Restart the router by disconnecting the power for more than 2 minutes and reconnect.

7. Why doesn't the remote control work?

* Make sure the remote points at the receiver directly. * Make sure you have installed two AAA batteries in the remote control. * Avoid using two batteries with old ones in the remote control as this can result in insufficient power supply and operational issues.

8. What should I do if the projector fails to power on or automatically shuts down?

Check and ensure that the power cable is securely plugged into the power port to prevent any accidental disconnection or loosening when moving the projector.

3. Automatic Image Adjustment

The projector will automatically adjust the image for optimal clarity upon powering on.

Tip:

* If the initial auto-focus doesn't achieve desired results, you can manually adjust. Please visit the "TROUBLESHOOTING" section for more information.

4. Activate Your Smart Projector

Follow on-screen setup instructions to activate your projector.

Tip:

* You'll need an internet connection to activate your projector. * Roku never charges for activation.

Setup is done, congratulations!

Continue using the remote to personalize your Home screen, channel line-up, stream modes, and so much more.
