Re: FCC ID: 2BEIX-2938X

To Whom It May Concern:

The following application is submitted on behalf of our client, Myomo Inc., for evaluation of their model 2938X for a C2PC certification under FCC Part 15.247.

The C2PC is to address the module's integration into the Myopro portable host device.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
