

External EUT Photo

A collection of drone components is laid out on a blue textured surface next to a ruler. The components include a black remote control with a screen and two joysticks, a small black drone with four propellers, a black battery, a black USB cable, a black USB adapter, a black USB dongle, and a black USB receiver. The ruler is marked in centimeters and millimeters, with the brand name 'BOSI' and the model number 'BS181360' visible.

A black, handheld electronic device, possibly a remote control or a small camera, lying on a blue textured surface. The device has a central screen, two large circular buttons with multiple smaller buttons around them, and a small speaker grille. A ruler is placed vertically to the left of the device, showing measurements in centimeters and millimeters.
