FCC ID: [2BEK7WHM200A]

To whom it may concern,

This letter is to notify the Federal Communications Commission (FCC) of a Class 2 Permissive Change (C2PC) to the certified product with FCC ID: [2BEK7WHM200A].

Existing HVIN : WHM200A

Newly added HVIN : WHM320A

The changes made to the product are as follows:

The difference between the base model WHM200A and the variant model WHM320A is that the WHM320A includes an additional board, resulting in changes to the circuitry and the PCB layout. Additionally, the two models use different antennas.

These changes do not affect the compliance of the device with the applicable FCC rules and regulations. Relevant test reports are submitted to demonstrate continued compliance after the modification(s).

Additional Notes:

- The original FCC ID remains unchanged.
- The product continues to comply with all technical standards.
- All necessary supporting documents are included with this application.

If you have any questions regarding this submission, please contact the undersigned.

Sincerely,

Wan Seong KIM / Principal Research Engineer
