

Model Difference Letter

Changyou Technology (Zhejiang) Co., Ltd., is applying for FCC ID: 2BEKX-SYZ for the model: TO-Q-SY2-JZT. The PCB layout is as follows:

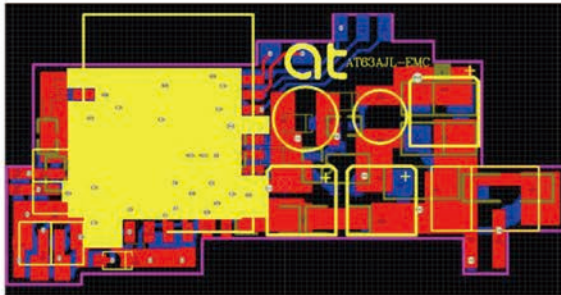

There is another model: TO-Q-SY1-JZT.

Differences: TO-Q-SY1-JZT is based on TO-Q-SY2-JZT but with the removal of the temperature sensing resistor (100K ohm NTC).

All other electrical principles, performance, functions, and key components used internally are the same. These differences will not affect the qualified assessment of electromagnetic compatibility and safety regulation tests.

The PCB layout for TO-Q-SY1-JZT is as follows:

Bruce Bao
