

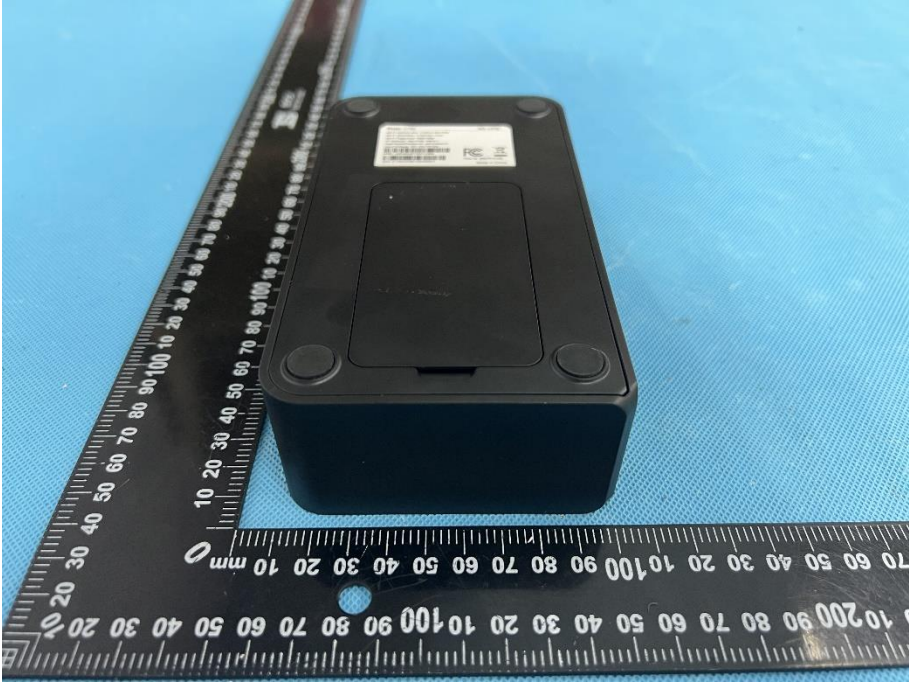

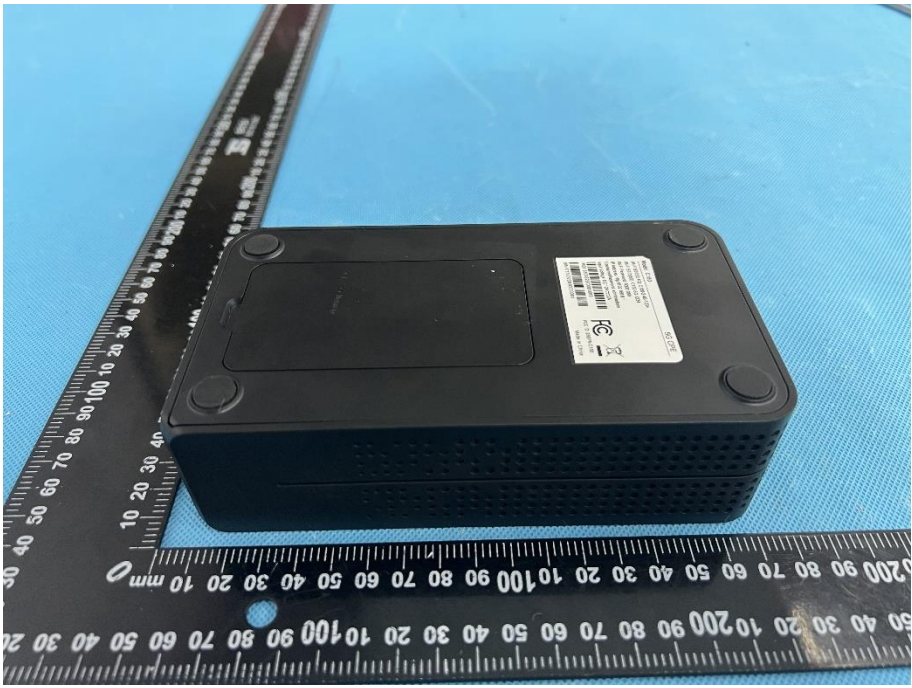

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black rectangular device, likely a USB modem, is shown next to its power adapter and cables. The device has a circular power button on the right side and four status LEDs labeled "Signal", "5G", "WIFI", and "LAN MODE" on the left. A white USB cable and a black power cable are coiled next to it. A black power adapter is also visible. A ruler is placed below the device for scale.
EUT View 2	 A close-up view of the black rectangular device, showing the power button and status LEDs. A ruler is placed below the device for scale.

EUT View 3	 A black rectangular electronic device is shown from the back, lying flat on a blue textured surface. A black ruler with white markings is placed vertically to the left of the device, showing measurements from 0 to 100 mm. The device has a white label in the upper center with technical specifications and a barcode. The label text includes: Model: C19E, 50 CPE, FCC ID: 2BQY1198, P-Model: 2BQY1198, P-Access: 2BQY1198, and P-Access: 2BQY1198. The device has four circular feet at the corners.
EUT View 4	 A black rectangular electronic device is shown from the side, lying flat on a blue textured surface. A black ruler with white markings is placed vertically to the left of the device, showing measurements from 0 to 100 mm. The device has a white label on the top surface. The device has four circular feet at the corners.
