

Please upload an exhibit that explains how does the TCB verify the new agent information:

1- Is the address of the agent a valid physical US mailing address (not a US post office box, not a virtual mailbox, not P.O. Boxes, not a vacant lot, not a public building, etc.)

- We have checked if the address exists in a real and potential building (Google maps) + official US register, after this verification and the evidence as below:
 - ☒ not a US post office box
 - ☒ not a virtual mailbox
 - ☒ not P.O. Boxes
 - ☒ not a vacant lot
 - ☒ not a public building(note)

- We checked the FCC FRN Search based on the information provided by the grantee.

In google:

This is just a company that offers the PLACE(Address) to handle the email post related to any company who wants their service

Then, if we are focus on the ASOP definition in FCC Report and Order

23. What are the responsibilities of the agent for service of process? An agent for service of process for the particular equipment certification authorization has the obligation to accept the service of process and other legal process documents on behalf of the grantee of the authorization (the responsible party) and to swiftly and dutifully deliver them to that party. Service of process includes, but is not limited to, delivery of any correspondence, notices, orders, decisions, and requirements of administrative, legal, or judicial process related to Commission proceedings. See FCC 22-84, paragraph 63. However, service of process on the grantee of the equipment authorization is deemed to be complete when the document is sent to the U.S. physical address, U.S. mailing address (if different), or e-mail address of the U.S.-based agent for service of process.

► **CONCLUSION by TCB: The ASOP defined and provided by grantee is VALID and confirmed. Therefore the exhibit "Declaration Letter v2" included in the file is ok.**

2- Is the agent physically located at that valid US address such that the agent can be legally served at that address?

Yes , check above

3- Has the listed agent clearly agreed in writing to serve as the agent for the grantee at that address?

Yes, it is included in the exhibit "Declaration Letter v2" and the email reply.

This letter is to confirm that the US Agent for Service of Process accepts responsibility to act as a local representative on behalf of Shenzhen Houtonsen Electronics Co.,Ltd

The US Agent for Service of Process is aware of and agrees to comply with the requirements outlined in the FCC Equipment Authorization Program, Report and Order FCC 22-84, and clause § 2.911.
