

#### FCC COMPLIANCE STATEMENT:

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received,

including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class

B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

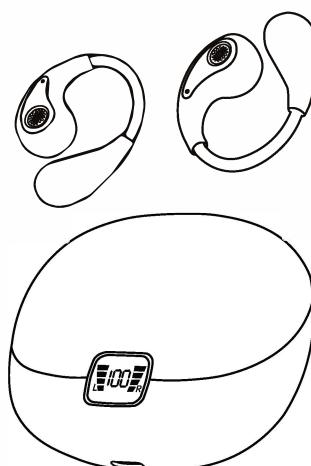

Warning: Changes or modifications to this unit not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

#### FCC Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement.

The device can be used in portable exposure condition without restriction.

### PRODUCT PARAMETERS

Product Name:	Bluetooth headset
Bluetooth version:	V5.4
Pairing name:	YX48
Supporting protocols:	A2DP/AVRCP/HF P/HF D/AVCTP/AVDTP SPP
Working frequency:	2.402-2.480GHz
Charging current:	Earphones 28mA/DC 5V Charging case 300mA/DC 5V
Battery capacity:	Earbuds:28mAh Charging case:300mAh
Charging time:	Earbuds:1h Charging case:2h
Listening time:	about 5 hours
Bluetooth receiving distance:	<10 meters (barrier free)

### TOUCH AREA DIAGRAM

### INSTRUCTIONS FOR USE

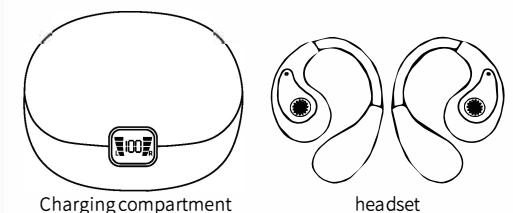

1. Bluetooth name: YX48;
2. Instructions for use: After opening the packaging, take out the earphones from the charging compartment;
3. Pairing connection: Open the lid, take out the left and right earphones and place them on the table or in your hands. Wait quietly for 3 to 5 seconds. The two earphones will be paired automatically. Then search for the Bluetooth name "YX48" on your mobile phone's Bluetooth settings and click on the Bluetooth name to connect;
4. Power on: pick up the earphones and automatically turn them on, pairing and connecting the previous devices;
5. Shutdown: Put it back into the charging compartment and automatically shut down for charging;
6. Triple-tap the touch area on the left earphone to reduce the volume;
7. Triple-tap the touch area on the right earphone to increase the volume;
8. Long-press the touch area on either the left or right earphone for 2 seconds to activate Siri;
9. Double-tap the touch area on the right earphone to play the next song;
10. Double-tap the touch area on the left earphone to play the previous track;
11. Click the touch area on either the left or right earphone once to pause the playback;
12. Click on the left/right ear to answer the call and hang up the call;

### CHARGING INDICATOR LIGHT

1. When the charging case is charging the earphones, the digital display and the running lights on the charging case will turn on. The white light on the earphones will stay lit all the time, and it will go out when the earphones are fully charged;
2. When the charging case is being charged with a cable, the numbers on the charging case will flash and the digital display screen will show the power level;

(Please be sure to use 5V/1A charging cable or attached charging cable when you purchasing products)

### MATTERS NEEDING ATTENTION

1. Please put the headset in correct position for charging;
2. The battery(battery pack or combination battery) shall not be exposed to such conditions as sun, fire or similar overheating;
3. Listening to music at a high volume for a long time will cause hearing damage. Please adjust the volume appropriately when using this device;
4. Do not use the device during thunderstorms, because thunderstorms may cause abnormal operation of the device and increase the risk of electric shock;
5. Do not dismantle or modify the headset for any reason, otherwise, it may cause malfunction or burning out, which is not under warranty.

\*If the consumer violates the above warning and uses it improperly, resulting in personal and property damage, the company will bear all consequences and will not bear any legal responsibility.
