

YX49

YX49 OVER-EAR TRULY WIRELESS BLUETOOTH EARPHONES

PRODUCT PARAMETERS

Product Name:	ear - hook Bluetooth earphone
Bluetooth version:	V5.4
Pairing name:	YX49
Supporting protocols:	A2DP/AVRCP/HFP/HID/AVCTP/AVDTP SPP
Working frequency:	2.402-2.480GHz
Charging current:	Earphones 30mA/DC 5V Charging case 300mA/DC 5V
Battery capacity:	Earbuds:28mAh Charging case:300mAh
Charging time:	Earbuds:1h Charging case:2h
Listening time:	about 5 hours
Bluetooth receiving distance:	<10 meters (barrier free)

TOUCH AREA DIAGRAM

INSTRUCTIONS FOR USE

1. Bluetooth name: YX49;
2. Precautions for use: After opening the package, take the earphones out of the charging case.
3. Pairing and connection: Take out the left and right earphones and place them on the table or in your hand. Wait quietly for 3 - 5 seconds. The two earphones will be paired automatically. Then search for the Bluetooth name "YX49" on your mobile phone's Bluetooth settings and tap on the Bluetooth name to connect.
4. Power on: Open the charging case and take out the earphones. They will power on automatically and pair with the previously connected device.
5. Power off: Put the earphones back into the charging case, and they will power off and start charging automatically.
6. Volume down: Triple-tap the left earphone.
7. Volume up: Triple-tap the right earphone.
8. Voice assistant: Long-press either earphone for 2 seconds.
9. Next song: In the playing state, double-tap the right earphone.
10. Previous song: In the playing state, double-tap the left earphone.
11. Pause/play: Single-tap either earphone.

CHARGING INDICATOR LIGHT

1. When the charging case is charging the earphones, the digital display's running lights will flash while charging the earphones.
2. When the charging case is being charged via a cable, the font on the digital screen will flash. When it is fully charged, the digital display font will stay lit

MATTERS NEEDING ATTENTION

1. Please put the headset in correct position for charging;
2. The battery (battery pack or combination battery) shall not be exposed to such conditions as sun, fire or similar overheating;
3. Listening to music at a high volume for a long time will cause hearing damage. Please adjust the volume appropriately when using this device;
4. Do not use the device during thunderstorms, because thunderstorms may cause abnormal operation of the device and increase the risk of electric shock;
5. Do not dismantle or modify the headset for any reason, otherwise, it may cause malfunction or burning out, which is not under warranty.

*If the consumer violates the above warning and uses it improperly, resulting in personal and property damage, the company will bear all consequences and will not bear any legal responsibility.

FCC COMPLIANCE STATEMENT:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
