

FCC COMPLIANCE STATEMENT:

This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class

B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications to this unit not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

FCC Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement.

The device can be used in portable exposure condition without restriction.

YX59

YX59 CLIP-ON TRUE WIRELESS BLUETOOTH EARPHONES.

PRODUCT PARAMETERS

Product Name:	Bluetooth headset
Bluetooth version:	V5.4
Pairing name:	YX59
Supporting protocols:	A2DP/AVRCP/HFP/HID/AVCTP/AVDTP
	SPP
Working frequency:	2.402-2.480GHz
Charging current:	Earphones 30mA/DC 5V
	Charging case 200mA/DC 5V
Battery capacity:	Earbuds:28mAh
	Charging case:300mAh
Charging time:	Earbuds:1h Charging case:2h
Listening time:	about 5.5 hours
Bluetooth receiving distance:	<10 meters (barrier free)

INSTRUCTIONS FOR USE

1. Bluetooth Name: YX59
2. Precautions for Use: After opening the package, take the earphones out of the charging case.
3. Pairing and Connection: Open the charging case and wait quietly for 3 to 5 s. The left and right earphones will be paired automatically. Then search for the Bluetooth name "YX59" on your mobile phone's Bluetooth and click on the Bluetooth name to connect.
4. Power On: Open the lid, and the earphones will power on automatically and pair with the previously connected device.
5. Power Off: Put the earphones back into the charging case, close the lid, and the earphones will power off and start charging.
6. Play/Pause: Touch either the left or right earphone once.
7. Answer/End Call: Touch either the left or right earphone once.
8. Reject Incoming Call: Touch either the left or right earphone twice when there is an incoming call.
9. Voice Assistant: Touch either the left or right earphone twice.
10. Previous Track: When in the playing state, touch the left earphone three times.
11. Next Track: When in the playing state, touch the right earphone three times.
12. Volume Down: Long-press and touch the left earphone.
13. Volume Up: Long-press and touch the right earphone.

CHARGING INDICATOR LIGHT

1. When the charging case is charging the earphones, the white light will turn on. When the earphones are fully charged, the light will go out.
2. When charging with a Type-C cable, the red light on the charging case will flash. When it is fully charged, the red light will stay on constantly.

(Please be sure to use 5V/1A charging cable or attached charging cable when you purchasing products)

MATTERS NEEDING ATTENTION

1. Please put the headset in correct position for charging;
2. The battery (battery pack or combination battery) shall not be exposed to such conditions as sun, fire or similar overheating;
3. Listening to music at a high volume for a long time will cause hearing damage. Please adjust the volume appropriately when using this device;
4. Do not use the device during thunderstorms, because thunderstorms may cause abnormal operation of the device and increase the risk of electric shock;
5. Do not dismantle or modify the headset for any reason, otherwise, it may cause malfunction or burning out, which is not under warranty.

\*If the consumer violates the above warning and uses it improperly, resulting in personal and property damage, the company will bear all consequences and will not bear any legal responsibility.
