

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, labeled 'View 2'. The board is populated with various electronic components, including a large black integrated circuit (IC) in the center, several smaller ICs, capacitors, and resistors. A silver metal component is visible on the right side. The board is placed on a blue textured surface next to a metal ruler for scale. The ruler shows centimeters from 1 to 16 and millimeters from 0.5 to 20.
Solder Board-Component View 3	 A photograph of the same green PCB component, labeled 'View 3', showing the reverse side. The board features a complex pattern of gold-colored solder pads and traces. A small black component is visible on the right side. The board is placed on a blue textured surface next to a metal ruler for scale. The ruler shows centimeters from 1 to 18 and millimeters from 0.5 to 20.

Solder Board-Component View 4	 A photograph of a small, rectangular, gold-colored electronic component with a flexible lead, placed on a blue textured surface. The component has three circular solder pads on its top surface, labeled 'VOL+', 'PWR', and 'VOL-'. It is positioned next to a metal ruler for scale. The ruler has markings in centimeters (0 to 10) and millimeters (0.5 mm to 10 mm).
Solder Board-Component View 5	 A photograph of the same small, rectangular, gold-colored electronic component from a different angle, showing its bottom surface. It is placed on a blue textured surface next to a metal ruler for scale. The ruler has markings in centimeters (0 to 10) and millimeters (0.5 mm to 10 mm).
