## Setup Photos

### For BTEK240313007AE

<b>Radiated Spurious Emissions (Below 1GHz)</b>	 A photograph of a Faraday cage test chamber. Inside, a white rectangular table holds a black battery pack labeled '350Wh' and a small electronic device. A vertical metal pole with a circular antenna is positioned behind the table. The chamber walls are covered with a grid of metal strips. The BTEK logo is visible on the top wall.
<b>Radiated Spurious Emissions (Above 1GHz)</b>	 A photograph of a Faraday cage test chamber. Inside, a white rectangular table holds a black battery pack labeled '350Wh' and a small electronic device. A large white rectangular test fixture is positioned in the foreground, partially obscuring the view of the table. The chamber walls are covered with a grid of metal strips. The BTEK logo is visible on the top wall.
