Re: Change of Identification Authorization, [K44471100](#):

Reference:	Original Grantee FCC Certification #	K44471100
	Trade Name / Model Name:	NX-5700-K
	Original Grant Date:	01/30/2018
	Design Status:	There have been no changes to the design, circuitry, or construction, and the original test results continue to be representative of and applicable to the equipment.
	New Grantee FCC Certification #	2BFKO-QR12R4-A1
	Hardware Version ID Number:	QR12R4
	Model Name / PRN:	12R4

To Whom It May Concern:

This letter grants authorization for representatives of [QuEST Rail LLC](#) to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to [JVCKENWOOD Corporation](#), FCC ID: [K44471100](#).

We are aware that [QuEST Rail LLC](#) intends to market the above referenced product under their own FCC ID: [2BFKO-QR12R4-A1](#).

Sincerely,

Kazuyoshi Akaike
