

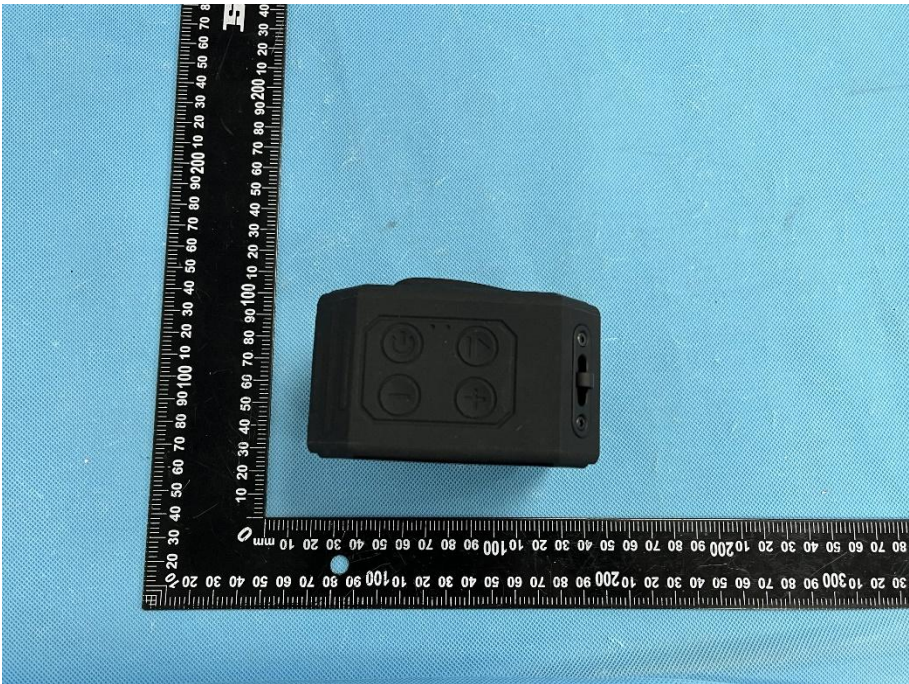

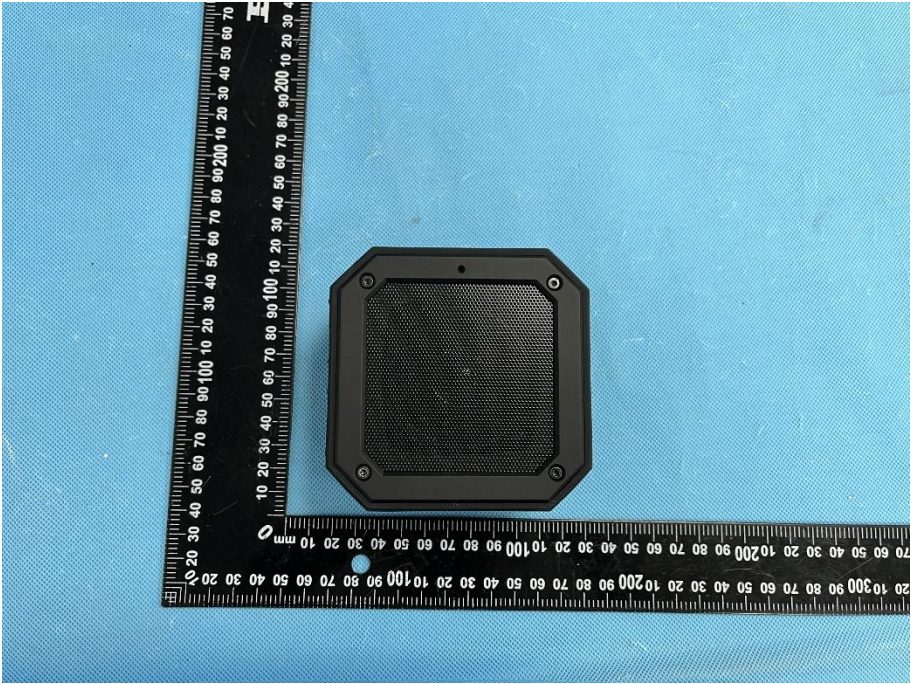

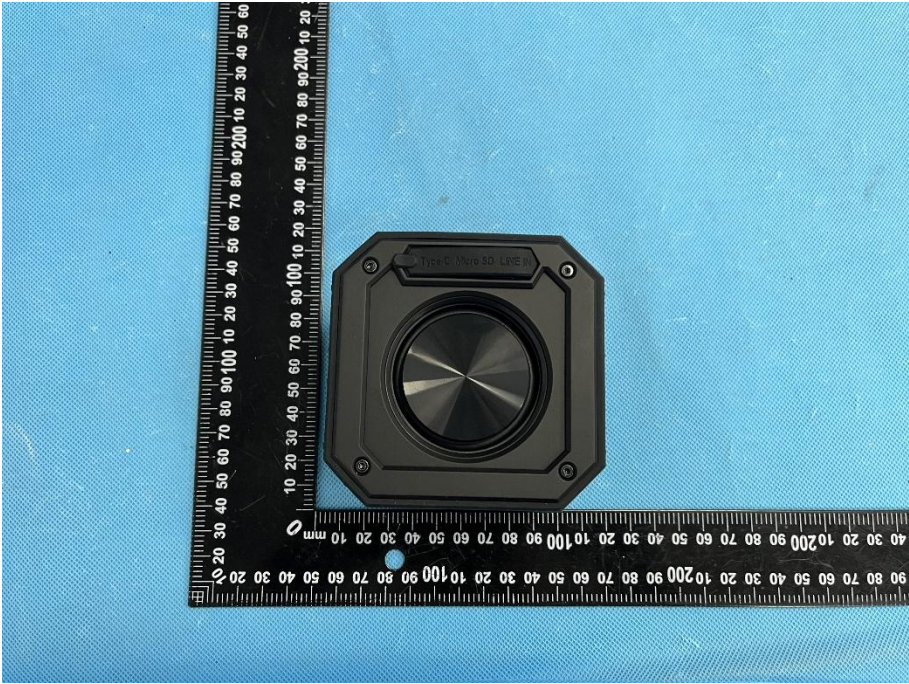

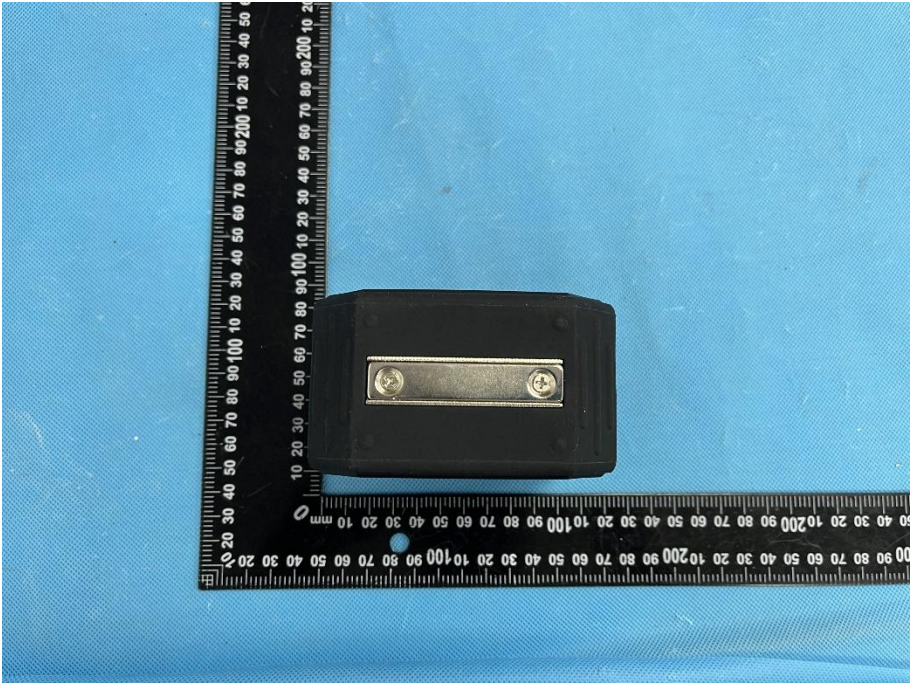

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black rectangular electronic device with four circular buttons arranged in a 2x2 grid. To its right is a black USB cable with a standard USB-A connector and a smaller connector. A black ruler with white markings is placed vertically to the left of the device, showing measurements in centimeters and millimeters. The background is a light blue textured surface.
EUT View 2	 A black rectangular electronic device, similar to the one in View 1, with four circular buttons. A black ruler with white markings is placed vertically to its left, showing measurements in centimeters and millimeters. The background is a light blue textured surface.

EUT View 3	 A black, octagonal electronic component with a fine mesh grille is shown against a blue background. A black L-shaped ruler is placed next to it for scale. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10). The component is positioned in the center of the ruler's L-shape.
EUT View 4	 A black, rectangular electronic component with a textured surface is shown against a blue background. A black L-shaped ruler is placed next to it for scale. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10). The component is positioned in the center of the ruler's L-shape.

EUT View 5	 A black, octagonal electronic component with a central lens and four mounting holes, placed on a blue background next to a ruler for scale. The ruler shows dimensions in millimeters and centimeters.
EUT View 6	 A black, rectangular electronic component with a textured surface, placed on a blue background next to a ruler for scale. The ruler shows dimensions in millimeters and centimeters.
